FINANCIAL DEPARTMENT.

COMPTROLLER'S OFFICE.

Famine Circular No. R. 197, dated the 5th January 1909.

To—All Heads of Departments and Deputy Commissioners of Districts.

Sir,

It is likely that, owing to the present scarcity, considerable expenditure will be incurred in almost all the departments of the State which under the rules of classification given in the Mysore Famine Code, has to be exhibited in the accounts as "Indirect Famine Expenditure", Expenditure incurred not exclusively and primarily on Famine relief, but only incidentally, *e.g.*, additional establishment consequent on increase in work, grain compensation allowance, extra travelling allowances in connection with Famine operations, and increased contingent charges come under this class of Indirect Famine Expenditure. These charges are debitable to the departments concerned and not to the major head "Famine Relief," but it is nevertheless desirable that the amount of such indirect expenditure on account of scarcity incurred in the State should be readily ascertainable. I have therefore the honour to request that all Heads of Offices who draw bills on the Treasury will be so good as to show, commencing with the 1st January 1909, all such incidental charges separately in their bills so that such charges may be easily separated in this office and shown as such in the Register of "Indirect Famine charges" maintained in this office under the heads concerned. A separate statement for the charges, if any, incurred during November and December 1908, may be attached to the bill for January cashed in February for entry in this Register.

2. In order that there may be uniformity in the several departments in the system of showing such charges in bills, the following instructions are issued:—

(1) In the case of establishments, after the usual sanctioned scale is shown in the bills the additional establishments, if any, sanctioned on account of increase of work in connection with Famine operations, shall be shown separately under the heading "Indirect Famine Expenditure." The grain compensation, if any, sanctioned for this additional establishment will be shown in accordance with the Circular instructions already issued on the subject. At the end of each bill an abstract will be furnished as under:—

I. Ordinary expenditure ... ... Rs. .....

II. Indirect Famine Expenditure—

(*a*) Grain compensation allowance for ordinary establishment. Rs. .....

(*b*) Cost of additional establishment including grain allowance for such establishment ... ... Rs. .....

Total Rs. .....

Grand Total (in words as well as in figures).

(2) For travelling allowance, the allowance claimed in bills for ordinary travelling will be shown first wherever possible and afterwards under the heading "Indirect Famine Expenditure" will come such charges as allowance claimed by permanent officers for travelling in connection with Famine operations, and travelling allowance of the additional establishment sanctioned to cope with increase of work.

In cases where it is not possible to show the charges separately, a note in the remarks column should be entered to the following effect.

"Half (or other fraction) of the amounts marked * may be regarded as Indirect Famine Expenditure."

(3) Similarly in the case of contingent charges, the ordinary charges will be separate in the bill from the Indirect Famine Expenditure in an abstract at the end.

3. The above instructions apply only to expenditure *not* debitable to the major he "Famine Relief" but to the major head to which the cost of the department is usually deb ed. In this connection I beg to invite your attention to the distinction drawn in Sections 2 to 297 of the Mysore Famine Code between "Direct" and "Indirect" Famine Expenditu Charges on account of Direct Famine Expenditure will be drawn on bills in the form presc ed by the Famine Code and should under no circumstances be mixed up with Indi charges.

4. Section 278 of the Famine Code prescribes a register for Indirect charges to be m tained in Form No. 57 by the head of each office from which such charges are disbursed the instructions contained in this circular are properly observed, it will not be necessary Heads of Offices to maintain the Register as the work will be centralized in my office.

I have, etc.,

Auditor's Report for October 1908.

(*a*) In the budget only Rs. 350 is allowed as pay for the Vice-President But the Vice-President has drawn Rs. 450. The allowance of Rs. 100 is shown elsewhere.

(*b*) Mr. A. K. Pani (Health Officer) handed over charge to Mr. Krishna Rao, on or about the 25th of September 1908. The establishment bill of the Health Department for the month of September 1908, which was drawn on 1st October 1908, is signed by Mr. A. K. Pani. What status had he to sign? Is there any Government order about this? He again acted as such for some days?

(*c*) To spend Rs. 248-12-0 to the roads inside the office compound seems to be very high and unnecessary. Was permission obtained previously?

(*d*) A Cyclostyle machine is purchased and charged under "Tools and plants." It must have gone under "Contingencies."

(*e*) Mohatarfa collection is not at all satisfactory when compared to last years of the same month, which has fallen by 50 per cent.

(*f*) The so-called Demand, Collection and Balance account maintained in the Collection Department is practically useless, as it does not show what the demand is for the year and also the balance for the year.

(*g*) Again this time, conservancy department has not given their accounts. This is a serious negligence of some one and should be put a stop to.

FINANCIAL DEPARTMENT.

COMPTROLLER'S OFFICE.

Circular No. R. 197, *dated the* 5*th January* 1909.

To—All Heads of Departments and Deputy Commissioners of Districts.

Sir,

It is likely that, owing to the present scarcity, considerable expenditure will be incurred in almost all the departments of the State which under the rules of classification given in the Mysore Famine Code, has to be exhibited in the accounts as "Indirect Famine Expenditure." Expenditure incurred not exclusively and primarily on Famine relief, but only incidentally, *e.g.*, additional establishment consequent on increase in work, grain compensation allowance, extra travelling allowances in connection with Famine operations, and increased contingent charges come under this class of Indirect Famine Expenditure. These charges are debitable to the departments concerned and not to the major head "Famine Relief," but it is nevertheless desirable that the amount of such indirect expenditure on account of scarcity incurred in the State should be readily ascertainable. I have therefore the honour to request that all Heads of Offices who draw bills on the Treasury will be so good as to show, commencing with the 1st January 1909, all such incidental charges separately in their bills so that such charges may be easily separated in this office and shown as such in the Register of "Indirect Famine charges" maintained in this office under the heads concerned. A separate statement for the charges, if any, incurred during November and December 1908, may be attached to the bill for January cashed in February for entry in this Register.

2. In order that there may be uniformity in the several departments in the system of showing such charges in bills, the following instructions are issued:—

(1) In the case of establishments, after the usual sanctioned scale is shown in the bills the additional establishments, if any, sanctioned on account of increase of work in connection with Famine operations, shall be shown separately under the heading "Indirect Famine Expenditure." The grain compensation, if any, sanctioned for this additional establishment will be shown in accordance with the Circular instructions already issued on the subject. At the end of each bill an abstract will be furnished as under:—

I. Ordinary expenditure ... ... Rs. .....
II. Indirect Famine Expenditure—
(*a*) Grain compensation allowance for ordinary establishment. Rs. .....
(*b*) Cost of additional establishment including grain allowance for such establishment ... ... Rs. .....

Total Rs. .....

Grand Total (in words as well as in figures).

(2) For travelling allowance, the allowance claimed in bills for ordinary travelling will be shown first wherever possible and afterwards under the heading "Indirect Famine Expenditure" will come such charges as allowance claimed by permanent officers for travelling in connection with Famine operations, and travelling allowance of the additional establishment sanctioned to cope with increase of work.

In cases where it is not possible to show the charges separately, a note in the remarks column should be entered to the following effect.

"Half (or other fraction) of the amounts marked * may be regarded as Indirect Famine Expenditure."

(3) Similarly in the case of contingent charges, the ordinary charges will be separated in the bill from the Indirect Famine Expenditure in an abstract at the end.

3. The above instructions apply only to expenditure *not* debitable to the major head "Famine Relief" but to the major head to which the cost of the department is usually debited. In this connection I beg to invite your attention to the distinction drawn in Sections 295 to 297 of the Mysore Famine Code between "Direct" and "Indirect" Famine Expenditure. Charges on account of Direct Famine Expenditure will be drawn on bills in the form prescribed by the Famine Code and should under no circumstances be mixed up with Indirect charges.

4. Section 278 of the Famine Code prescribes a register for Indirect charges to be maintained in Form No. 57 by the head of each office from which such charges are disbursed. If the instructions contained in this circular are properly observed, it will not be necessary for Heads of Offices to maintain the Register as the work will be centralized in my office.

I have, etc.,
J. S. CHAKRAVARTI,
Comptroller.

Audit Report for November 1908.

(*a*) The collection of house tax and mohatarfa is improved.

(*b*) Under 'Octroi' head, nearly 60 per cent has gone down in 'piece goods' (probably due to the present scarcity).

(*c*) We cannot understand what our demand and balance under the head of taxes on vehicles and animals are ?

(*d*) As usual the Sanitary Department has not given the accounts. We don't think there is any use in our auditing the accounts when our observations are not at all heeded.

On the whole the accounts of the Municipality are in a chaos. There is no salvation unless a Special Auditor checks and finds out the defects, etc., and come to some definite form. We think this ought to be done at once.

(*e*) Regarding Vice-President's pay, we see a docket is written to Comptroller only on 30th November 1908 after our observation in the last month's audit. Is this not irregular ?

Lastly, the amount due for manure for the last quarter is not yet fully collected. This amount ought to have been collected in the month of October alone.

With the above observations, the accounts may be passed.

(Sd.) B. K. GARUDACHAR,
15th December 1908. „ D. B. RAMACHANDRA MUDALIAR,
Municipal Councillors.

2. Read correspondence ending with letter No. 5431, dated the 15th August 1908, from the Chief Engineer of Mysore, *in re* taking over charge of the completed drains in the City and Extensions.

Resolved that all the drains in the City and Extensions completed by the Sanitary Department, so long ago as the year 1905, be taken charge of at once, as they have been inspected more than once by the President and the Sanitary and Municipal Engineers and as no serious defects have come to light. The work was carried out long ago and it is natural that some portions of the drains may have been in disrepair since. Any urgent repairs will be undertaken by the Municipality.

3. Read revised plan and estimate regarding the proposed construction of a vegetable market on the East Fort Glacis near Kalasipalya, as called for in the General and Revenue Secretary's docket No. 8946—Ml. 431-06-4, dated the 9th March 1908.

Resolution.—Deferred till the next meeting.

In the meanwhile, resolved that all the Municipal Councillors will inspect the proposed site with the President and come to a definite conclusion as to the exact position of the site proposed for putting up the new market, the said date being the 13th January 1909.

The Municipal Executive Engineer be requested to prepare a site plan for the new market showing the measurements and the approaches.

4. Read Government Proceedings No. 4868—Ml. 192-08-2, dated the 24th November 1908, calling for the resolution of the Municipal Council in respect of the acquisition of certain properties for opening a conservancy lane in Sankaradevaru Matt lane, No. III Division.

Resolution.—The council is of opinion that the properties be acquired for opening a conservancy lane in Sankaradevaru Matt lane, No. III Division, and that an estimate be prepared for the same.

5. Read Government Proceedings No. 5057-8—Ml. 569-06-5, dated the 28th November 1908, approving with slight modifications of the rules regulating the conduct of business and proceedings at the meetings of the City Municipal Council.

Resolution.—Recorded.

6. Read the General and Revenue Secretary's docket No. 5303—Ml. 227-08-2, dated the 3rd December 1908, enquiring whether the Municipal Council are willing to bear the cost of the scheme (*viz.*, 6,000) for the construction of a combined storm water drain and sewer along the Mysore road near the New Tharagupet in the City.

Resolved that the scheme is of very great importance, that it is absolutely necessary to have it carried out early and that the cost may, however, be borne out of the usual grant of one lakh of rupees allotted for the sanitary improvements of the City.

7. Read Sub-Committee's report, *in re* location of a vegetable market in Akkipet.

Resolution.—The Health Officer's remarks be forwarded to the Sub-Committee members for further consideration.

8. Read Sub-Committee's report anent the construction of a new Octroi Office and Bonded Warehouse in the City.

Resolution.—Deferred till the next meeting.

9. Read appointment of a Standing Committee for auditing the Municipal accounts for the quarter ending the 31st March 1909.

Resolved that Messrs. B. K. Garudachar and B. Oosman Khan be appointed as members of the Standing Committee for auditing the Municipal accounts.

10. Read Government Proceedings No. 5352-3—Ml. 143-08-2, dated the 4th December 1908, approving of the members of the Committee proposed to be appointed with the President as Chairman to draw up a scheme for the improvement of the City with a view to relieve congestion.

Resolution.—Recorded.

11. Read the General and Revenue Secretary's memo No. 5424-35—Ml. 425-07-3, dated the 5th December 1908, forwarding, for opinion, copies of the Government Proceedings regarding the question of control and subordination of Sanitary and Assistant Sanitary Inspectors.

Resolved that the Council is unanimously of opinion that the quality of control is undesirable, that the appointments should rest with the President, and that the Sanitary Commissioner's advice will always be accepted.

12. Read the following estimates for the repairs of portions of the undermentioned roads:—

Name of road.	*Amount.* Rs.
(1) Taluk Cutcherry road, 1st, 2nd and 3rd furlongs	1,125
(2) Ranasingpet road, 1st, 2nd and ½ of 3rd furlongs	736
(3) Hosur road, 7th and 8th furlongs	621
Total ..	2,482

FINANCIAL DEPARTMENT.

COMPTROLLER'S OFFICE.

Circular No. R. 197, dated the 5th January 1909.

To—All Heads of Departments and Deputy Commissioners of Districts.

Sir,

It is likely that, owing to the present scarcity, considerable expenditure will be incurred in almost all the departments of the State which under the rules of classification given in the Mysore Famine Code, has to be exhibited in the accounts as "Indirect Famine Expenditure." Expenditure incurred not exclusively and primarily on Famine relief, but only incidentally, *e.g.*, additional establishment consequent on increase in work, grain compensation allowance, extra travelling allowances in connection with Famine operations, and increased contingent charges come under this class of Indirect Famine Expenditure. These charges are debitable to the departments concerned and not to the major head "Famine Relief," but it is nevertheless desirable that the amount of such indirect expenditure on account of scarcity incurred in the State should be readily ascertainable. I have therefore the honour to request that all Heads of Offices who draw bills on the Treasury will be so good as to show, commencing with the 1st January 1909, all such incidental charges separately in their bills so that such charges may be easily separated in this office and shown as such in the Register of "Indirect Famine charges" maintained in this office under the heads concerned. A separate statement for the charges, if any, incurred during November and December 1908, may be attached to the bill for January cashed in February for entry in this Register.

2. In order that there may be uniformity in the several departments in the system of showing such charges in bills, the following instructions are issued :—

(1) In the case of establishments, after the usual sanctioned scale is shown in the bills the additional establishments, if any, sanctioned on account of increase of work in connection with Famine operations, shall be shown separately under the heading "Indirect Famine Expenditure." The grain compensation, if any, sanctioned for this additional establishment will be shown in accordance with the Circular instructions already issued on the subject. At the end of each bill an abstract will be furnished as under :—

I. Ordinary expenditure ... ... Rs. .....

II. Indirect Famine Expenditure—

(*a*) Grain compensation allowance for ordinary establishment. Rs. .....

(*b*) Cost of additional establishment including grain allowance for such establishment ... ... Rs. .....

Total Rs. .....

Grand Total (in words as well as in figures).

(2) For travelling allowance, the allowance claimed in bills for ordinary travelling will be shown first wherever possible and afterwards under the heading "Indirect Famine Expenditure" will come such charges as allowance claimed by permanent officers for travelling in connection with Famine operations, and travelling allowance of the additional establishment sanctioned to cope with increase of work.

In cases where it is not possible to show the charges separately, a note in the remarks column should be entered to the following effect.

"Half (or other fraction) of the amounts marked * may be regarded as Indirect Famine Expenditure."

(3) Similarly in the case of contingent charges, the ordinary charges will be separated in the bill from the Indirect Famine Expenditure in an abstract at the end.

3. The above instructions apply only to expenditure *not* debitable to the major head "Famine Relief" but to the major head to which the cost of the department is usually debited. In this connection I beg to invite your attention to the distinction drawn in Sections 295 to 297 of the Mysore Famine Code between "Direct" and "Indirect" Famine Expenditure. Charges on account of Direct Famine Expenditure will be drawn on bills in the form prescribed by the Famine Code and should under no circumstances be mixed up with Indirect charges.

4. Section 278 of the Famine Code prescribes a register for Indirect charges to be maintained in Form No. 57 by the head of each office from which such charges are disbursed. If the instructions contained in this circular are properly observed, it will not be necessary for Heads of Offices to maintain the Register as the work will be centralized in my office.

I have, etc.,
J. S. CHAKRAVARTI,
Comptroller.

REVENUE DEPARTMENT.

Circular No. 7468-75, dated 22nd—23rd January 1909.

The Deputy Commissioners of Districts are requested to arrange for the submission of the budget estimates for the ensuing year 1909-10 to this office before the 15th February 1909.

2. Their attention is drawn generally to the full instructions given in paras 2 and 3 of this office Circular No. 7688-97, dated 21st—24th January 1908, for the preparation of budget estimates and *particularly* to those contained in clauses (i) and (ii) of para 3 of the same, in regard to the estimates of Land Revenue. In view of the present seasonal conditions, special attention should be paid to the compilation of figures showing the revised estimate of Land Revenue for 1908-09 (column 2 of Appendix A) and the budget estimate of the same for 1909-10 (column 1 of the Appendix) and the variations between the several estimates fully explained. Before submitting the figures for column 3 of the Appendix (actual collection for 1907-08) they should be verified with the Treasury figures in accordance with paras 1 and 2 of Government Order No. G. 3261-99—G. R. 10-08-8, dated 27th November 1908, so as to avoid the disagreement noticed by the Comptroller in the budget of the current and previous years between the figures of his office and those of the Revenue Department.

3. The attention of the Deputy Commissioners is also specially drawn to Rule 9 of the Budget Rules (appended to Government Order No. Fl. 1150-1192—18-1901-02, dated 7th February 1903) regarding fresh items of expenditure. Cases in which unsanctioned items are included in the budget estimates and such inclusion cited later on as an authority for incurring the expenditure in the absence of necessary provision are still frequent. The Deputy Commissioners are therefore requested to submit proposals for such expenditure, if any, at once, so that the sanction of Government may be obtained before the budget estimates for the year are drawn up and finally passed.

REVENUE DEPARTMENT.

Circular No. D. 400-7, dated Bangalore, 15th January 1909.

To—The Deputy Commissioners of Districts.

The following circular based on the instruction issued with the Dewan's Memo, Camp No. D. 36, dated 12th December 1891, for the selection and management of the Village Relief Works is issued to the Deputy Commissioners of Districts for information and guidance:—

1. In selecting the works for execution, care should be taken not to crowd them together too near each other, nor should any work be more than four or five miles from any village for the inhabitants of which it is intended to provide. The object being to find work for the poorer agriculturists, the Madigars, the Holeyars and landless classes, while enabling them to continue to reside in their villages, too much attention cannot be paid to the proper selection of the works.

2. If on the same work several villagers are employed, the work may be assigned in blocks one for each village and the patel of that village be made to look to exacting proper work upon that block.

3. *The Amani system.*—The work should be entrusted to the patel of the village. Where necessary or desirable, the patel of neighbouring village in which no work may be going on may be associated with him. In some cases it may be advantageous to associate with the patel of the village two leading raiyats or Buddhivants in the charge of the work. In some cases the shanbhog may with advantage be in joint charge with the patel. Even when all this is done the patel in whose village the work is, should be the party immediately responsible for its proper execution and for the proper payment of wages.

(*b*) The work should be on the task system, though the quantity of task must vary from time to time according to the condition of the people, etc. The patel should be responsible that proper work is done for the wages paid.

(*c*) A nominal list should be prepared with the help of the shanbhog and against each name a cross should be marked for each day's work done and paid for.

(*d*) The wages paid shall be such as will be fair and reasonable, having regard to the prevailing price and the wages table in the Famine Code making due allowance for the fact that at present no separate provision is made for the subsistance of the dependants of the labourers.

4. *Contract system.*—Where it is more convenient, the contract system may be adopted, provided:—

(*a*) The patel is the contractor himself, and

(*b*) he undertakes to employ the poorer villagers, and pays them promptly and at equitable rates approved by the Amildar, and where feasible in kind or rather partly in kind and partly in cash, and

(*c*) where possible respectable inhabitants may be entrusted with the contracts or selected to help in the supervision and proper management of the works.

5. *Supervising agency.*—The shanbhog (not when in joint charge of the work) should go round all the works within his firkha and give every assistance possible to the patel in charge. He should help the patel in making the weekly jarib and the payment pattis The payments may be made weekly on the day preceding the sante day, unless where daily payments are considered necessary.

(*b*) The shekdar should regularly inspect all works in his hobli at least once in every week and bring to the notice of the Amildar irregularities, if any, in execution or payment by means of weekly diaries.

(*c*) Assistant shekdars should be entertained whenever work becomes heavy to assist shekdars in supervision of these works and administering relief measures generally. They may either be employed in subordination to the shekdar or be assigned independent charge of a part of the Hobli.

(*d*) The Amildar must constantly move about and will be held responsible for the success of the system.

6. Complete discretion is vested in the Deputy Commissioners as regards the details of carrying out the system of village relief as above. Its success will depend upon the energy, tact and judgment they bring to bear upon it. Their object should be to afford the maximum amount of relief and at the same time secure a work of undoubted local utility of the prescribed standard, regarding the details of which standard full instructions should be issued by the Deputy Commissioners. Reference should be made in the weekly statements of progress to the success with which these instructions have been carried out.

Revenue Commissioner.

With reference to this office Memo No. D. 720-7, dated 1st February 1909, communicating the orders of Government authorising the grant of relief to totis and talaris under Section 177 of the Mysore Famine Code, the Deputy Commissioners are requested to submit an estimate of the amounts they may require for this purpose in their districts. 26. Read memo No. 5424-35—M. L. 425-07, dated 5th December 1908, from the Secretary to Government, General and Revenue Departments, calling for opinion on the subject of exclusive subordination of the Sanitary and Assistant Sanitary Inspectors to the Sanitary Department.

The Sanitary and Assistant Sanitary Inspectors being appointed in lieu of the Work Inspectors, the duties devolving upon them, besides consisting mostly of the preparation of estimates and supervision and execution of so many local works, no less of general improvement and utility than of sanitation, need more of their executive efficiency, tact and physical energies, inasmuch as they have to frequently visit the villages, sit on the spot and actually get the works carried out, (*e.g.*, seeing to the manure heaps, etc., being removed in their very presence and by their personal influence, to eligible sites selected by themselves or approved of by higher authorities), than cursory inspections and theoretical advice which would be of little avail in rural tracts, where example and prompt action compatible with local requirements and circumstances, for a long time yet to come, have so largely to precede mere ideals. For anything like an efficient carrying out of such measures, therefore, the Inspectors have to be under the direct *support* and control of the local authorities, who, with their intimate knowledge of the local conditions, are the best guides in all such cases. The Board accordingly consider that in the absence of a reduplication of establishments which they can ill afford to maintain or of a separate District Sanitary Officer like the several Assistants to the Head of the District Administration in other Departments, who can frequently itinerate and keep himself in touch with the people, no useful purpose can be served by making the Sanitary and Assistant Sanitary Inspectors the direct subordinates of a technical department, whose instructions and advices issued from the Head-quarters can, even now, be carried out, so far as they are consistent with the local conditions and needs.

FINANCIAL DEPARTMENT.

Circular No. 4 P. W., dated Bangalore, 13th February 1909.

To—All Executive Engineers and Sanitary Engineer.

It having been represented that it is difficult to adhere to the rule contained in para 2 of the notes printed on the opening page of the recently introduced Receipt Books for payments to Government under which no officers under the rank of Executive Engineer or Sub-Divisional Officer who has a Drawing Account, may issue the receipt unless specially authorised by Government, the Comptroller has the honor to instruct that, during Executive Engineer's absence from Head-quarters on tour, an *ad interim* simple receipt may be granted by the Accountant, stating distinctly that the formal final receipt signed by the Executive Engineer would follow. In all other cases, the receipt should invariably be signed by the Executive Engineer or Sub-Divisional Officer having Drawing Account for *credits in their respective* Cash Books.

Circular No. 5 P. W., dated 14th February 1909.

To—All Executive Engineers, Sanitary Engineer, Chief Electrical Engineer and all Civil Officers.

It has been observed during the inspections of the various Divisions that owing to a misconception of the rules regarding the grant of mileages to non-gazetted ministerial and menial officers, claims are not properly scrutinized. The present practice of showing abstract of miles travelled affords no indication for a proper audit of the items comprised therein. The Comptroller has therefore the honor to invite the attention of all officers to para 1203 of the Public Works Department Code and notes printed on the Travelling Allowance Bill Form, and to requst that in all future travelling allowance bills full details of claims, as illustrated below, may be set forth in the case of all claims for which journals are not sent up to the audit office, instead of showing only an abstract of claims as is now being done.

Circular No. D. 1111-18, *dated Camp Shimoga,* 19*th*—22*nd February* 1909.

The following instructions and suggestions regarding preparation of estimates and execution of tank and well works are issued for the information and guidance of Revenue officers in continuation of this office Circular No. D. 400-7, dated 15th January 1909:—

A. TANK WORKS.

I. *Estimates.*—1. Estimates for these works are framed generally by Tank Inspectors by tape measurements on bunds. Without the help of a levelling instrument or at least a ghat tracer, they cannot have a correct idea as to the relative heights of the different parts of the bund and provisions made in the estimate by mere guess would be wide of the mark.

2. Longitudinal and cross sections of the bund should invariably be taken by either of the instruments above named, preferably the former and plotted to the marginally noted scale which is generally found convenient. The proposed work should then be marked on the same sections and quantities taken out directly from these.

Longitudinal section.		
Horizontal	... 4 chains	= 1 inch.
Vertical	... 40 feet	= 1 inch.
Cross section	... 20 feet.	= 1 inch natural.

3. The constructive details should be as far as possible uniform and may ordinarily for small tanks be fixed as follows:—

(*a*) Depth of discharge over weir, 2 feet.

(*b*) Top of revetment, wherever it is built: 2 feet above weir; and thickness, 2/3 yard in shallow and 1 yard in deep tanks.

(*c*) Revetment—$1\frac{1}{2}$ to 1.

Slope:

Earthwork—2 : 1.

(*d*) Top level of bund—4 feet above weir.

(*e*) Top width of bund—5 to 6 feet.

(*f*) Length of weir to be calculated from the formula

$$L = \frac{645 \times m \times c}{8 \cdot 7}$$

where L=Length of weir in feet.
m=Number of square miles of the drainage area.
c=Coefficient depending on the drainage area, to be taken from the table noted below :—

Values of c.	Drainage area.
1.	2 square miles and under.
4/5	2 to 3 square miles.
3/5	3 to 5 square miles.
½	5 to 10 square miles.

Note.—Up to 2 square miles the length of the weir may be taken at 75 feet per square mile.

4. In preparing the estimates, there is an occasional tendency to omit items in order to keep the amount of the estimate within Rs. 500 which is the maximum limit of District officer's powers. The items of such omission are generally, the following and under supplemental estimates necessary. This should be strictly avoided :—

(*a*) Resetting old stone work.
(*b*) Raising revetment with new stone to the required level over old stone.
(*c*) Constructing weirs.

These lead to the necessity of sanctioning more than one estimate for the same work.

II. *Execution.*—5. (i) The attention of the officers is invited to the provisions contained in para 4 of this office Circular No. D. 400-7, dated 15th January 1909, enjoining that the Patel should be the contractor and that only the villagers should be employed for labour. These provisions should be strictly adhered to and the tendency to employ professional contractors and coolies should as far as possible be discouraged.

(ii) Earthwork to tank bunds is being done unsystematically. Where water is not available in the tanks or in the vicinity for watering the earth and consolidating it, the earth may easily be laid in layers and all clods broken to minimise the settlement after rains.

(iii) The surface of old bund is usually not prepared to receive the new earth. It should be done by cutting it into steps on the slopes and trenches on the top.

(iv) Profiles are not set up in most of the tanks. Without these, the work people cannot judge the height of the bund and the slopes of earthwork. They should be put up before starting the work.

III. Rates.

6. Sanctioned estimates invariably provide two annas per cubic yard for earthwork. This is the usual rate for pukka work. The specification for such a work is intended to allow for fair profits to contractors and delays in payment and occasional re-doing of work. A rate of Re. 0-1-6 per cubic yard should be ample as village works are now carried on. This is clear from the fact that contractors have been able to get work turned out at 10 to 13¾ cubic yards per rupee. With a rate of 10 cubic yards per rupee four men and two women should be able to earn three and two annas respectively, working only for 6 to 7 hours ; or, if three men and two women work for 8 to 9 hours, they should be able to earn four and two annas respectively. It should therefore be possible to raise the task gradually to 12 to 13 cubic yards per rupee as has been done in Gubbi Taluk by a professional contractor.

B. WELLS.

No principle is followed in fixing the form and dimension of drinking water wells. The best form for such wells is circular and the dimensions should be made to depend on the number of pulleys required. The size of the well does not ordinarily affect the water-supply which depends practically upon the springs tapped. The width of wells may be regulated as follows :—

For 1 pulley—3½ to 4 feet.
For 2 pulleys—6 feet.
For 4 pulleys—8 feet.

As a rule, in village wells more than 2 pulleys are rarely required.

Instead of sinking a well to the full width including the thickness for casing or revetment at the very commencement, it would be advantageous to make a trial well, wherever possible, at the site of every proposed well to start with and then widen it out when the water is tapped and the nature of the sub-soil is ascertained. It is often more economical to abandon a site on meeting rock and try other sites than to persevere in cutting through the rock.

Circular Memo No. 8401-8, dated 16th—23rd February 1909.

To—The Deputy Commissioners of Districts.

Government Proceedings No. R. 4481-523—R. F. 26-1898, dated 10th June 1903, directing that candidates for Amildari and Deputy Amildari should qualify themselves in equitation and laying down rules on the subject.

As there is reason to think that some acting Amildars and Deputy Amildars are not aware of the necessity for their qualifying themselves in equitation before they can be confirmed, the attention of the Deputy Commissioners of Districts is invited to the Government Order referred to above, and it is requested that such of the acting Amildars and Deputy Amildars as have not yet produced the necessary certificates may be informed that they should take needful steps to qualify themselves early in equitation.

Circular Memorandum No. 8419, dated 16th—23rd February 1909.

The following instructions issued to the Deputy Commissioner, Bangalore District, in the matter of preservation of Mutchalikas executed by raiyats for payment of contribution towards the restoration of a tank, are published for the information and guidance of the Deputy Commissioners of the other districts :—

"It is very desirable that the Mutchalikas executed by the raiyats in such cases should be separated from the file of ordinary correspondence and kept in a sealed cover in the custody of the Taluk Treasury Officer, as valuable documents, a list of the same showing the names and other particulars necessary for reference being kept in the file. By this precaution, the Mutchalikas will be saved from the risk of wear and tear in transmission of the records of the case from one office to another for purposes of reference or of being tampered with or lost if kept with ordinary taluk revenue records."

1. GEOMETRY.

Angles at a point.—If a straight line stand on another straight line, the sum of the two angles so formed is equal to two right angles ; and the converse.

If two straight lines intersect, the vertically opposite angles are equal.

Parallel straight lines :—When a straight line cuts two other straight lines, if

(i) a pair of alternate angles are equal

(ii) a pair of corresponding angles are equal or

(iii) a pair of interior angles on the same side of the cutting line are together equal to two right angles, then the two straight lines are parallel ; and the converse.

Straight lines which are parallel to the same straight line are parallel to one another.

Triangles and rectilinear figures.—The sum of the angles of a triangle is equal to two right angles.

If the sides of a convex polygon are produced in order, the sum of the angles so formed is equal to four right angles.

If two triangles have two sides of the one equal to two sides of the other, each to each, and also the angles contained by these sides equal, the triangles are congruent.

If two triangles have two angles of the one equal to two angles of the other, each to each, and also one side of the one equal to the corresponding side of the other, the triangles are congruent.

If two sides of a triangle are equal, the angles opposite to these sides are equal; and the converse.

If two triangles have the three sides of the one equal to the three sides of the other, each to each, the triangles are congruent.

If two right-angled triangles have their hypotenuses equal, and one side of the one equal to one side of the other, the triangles are congruent.

If two sides of a triangle are unequal, the greater side has the greater angle opposite to it; and the converse.

Of all the straight lines that can be drawn to a given straight line from a given point outside it, the perpendicular is the shortest.

The opposite sides and angles of a parallelogram are equal; each diagonal bisects the parallelogram and the diagonals bisect one another.

If there are three or more parallel straight lines and the intercepts made by them on any straight line that cuts them are equal, then the intercepts made by them on any other straight line that cuts them are also equal.

Areas.—Parallelograms of the same altitude on the same or equal bases are equal in area. Equal triangles on the same or equal bases are of the same altitude.

In a right-angled triangle, the square described on the hypotenuse is equal to the sum of the squares described on the other two sides.

Resolution.—Resolved that details already called for from the Taluk Boards be awaited for reply to Government.

III. Read letter No. 3746—L. B. 128-08-2, dated the 19—20th October 1908, from the General and Revenue Secretary to Government, stating that the Coorg District Board have taken objection to the location of the Mysore toll-gate on the Arkalgud-Kodlipet-Manjarabad road near Kerodi, on the score that it has been the cause for the dimunition in the income of their toll-gate at Yedahalli, and requesting the opinion of the President, together with the resolution of the District Board, as regards the Coorg District Board's resolution of locating the Mysore toll-gate anywhere between the junction where it now stands and the Coorg-Mysore frontier, so that traffic through Yeslurpet may pass free.

Resolution.—Resolved that this Board being of opinion that, as the toll-gate of Yedahalli in Coorg was established without the consent of this Board, there appears

to be insufficient reason for this Board to give up the tolls on carts passing along the Yeslur-Kerodi road, since the cost of up-keep of this road falls on this Board.

But it is proposed that, instead of removing the Kerodi toll-gate from the junction of roads towards the Kyatehole Coorg frontier, carts producing receipts of payment of toll at the Yedahalli toll-gate, be exempted from again paying toll at the Kerodi toll-gate, until the 1st April 1909, when the present Yedahalli toll contract will expire, provided that a corresponding arrangement be ordered at the Yedahalli toll-gate.

IV. (*a*) Read Government Proceedings No. R. 2541-51—Agri. 69-08-3, dated 31st October 1908, sanctioning, in view of the unfavourable state of the seasonal conditions, the sum of Rs. 20,000 from Local Funds General for the construction of such works of general utility as drinking water wells, etc.

Resolution.—Resolved that the best thanks of this Board be expressed to the Government for the liberal grants sanctioned from Local Funds General, as grants-in-aid to the District Funds for the most necessary and urgent purpose in this season of draught.

Further resolved that the action of the Deputy Commissioner and President in sanctioning the several well works in the Arsikere and Channarayapatna Taluks under urgent circumstances is approved.

V. Read the General and Revenue Secretary's docket No. 4795—L. B. 177-08-2, dated 21st November 1908, stating that the Secretary to the Chief Commissioner of Coorg suggests

that the District Board of Hassan, should be allowed to establish a toll-gate in their jurisdiction at a point to be fixed by the President of that Board and the President of the Coorg District Board, and that the toll proceeds should be divided *ab initio* between the two Boards in proportion to their respective mileage, provided that each local authority shall spend not less than Rs. 1,000 per mile within the next five years; and enquires whether the proposal is agreeable to the District Board, whose resolution on the subject should be submitted along with the report, etc.

Resolution.—Resolved that owing to the present low ebb of the District Funds, this Board cannot undertake to spend Rs. 1 0 0 per mile, on the eight miles of road, in the Arkalgud Taluk within the next five years as proposed by the Coorg District Board.

VI. Read the Sanitary Commissioner's Memo No. 2125-32, dated 26th November 1908, forwarding for favour of furnishing proposals, Subject No. 249 of the Dasara Representative Assembly of 1908, in the matter of giving encouragement to people to camp out during prevalence of plague.

Resolution.—Resolved that this Board are of opinion that the arrangements proposed would no doubt be very advantageous to the people, but the cost would be prohibitive as far as District Funds are concerned, and would only be possible if the cost be defrayed from Plague Funds.

VII. Read the following for the information of the District Board :—

(1) Government Proceedings Camp No. 1, dated 28th September 1908, directing the introduction of religious and moral instructions in all Government Schools and Colleges in the State with effect from the 1st November 1908.

(2) Government Proceedings No. 3276-93—Ml. 102-06-15, dated 25th October 1908, directing that the entire expenditure on account of bedding, clothing and diet to in-patients in Local Fund Dispensaries, maintained from the Municipal and District Funds, be adjusted by a debit to those funds in the same proportion as the establishment charges are adjusted and stating that these orders do not affect the Branch Dispensaries in the Mysore City.

(3) Government Proceedings No. 1-42—Muz., dated 6th October 1908, sanctioning the establishment of an Ayurvedic College in Mysore.

(4) Government Proceedings No. 3518-29—Med. 297-05, dated 14th October 1908, according sanction to the grant of mileage, at two annas a mile, to midwives whenever they go out of their head-quarters (unless carts are provided for them by the parties requiring their services) within a radius of five miles, etc.

B. 112-08-2, dated 28th October 1908, laying down the procedure in modification of Government Proceedings No. 6690-702—Med. 28-07-5, dated 13th January 1908, to be adopted to adjust the cost of construction and repairs of the Local Fund Dispensaries in the State.

B. 178-08-3, dated the 21st November 1908, authorizing some Taluk Boards in the Chitaldrug District, to hold temporarily an imprest of Rs. 200 to enable payments to coolies being made promptly for execution of works.

Resolution.—Recorded and resolved that should necessity arise, it may be desirable to obtain similar sanction of Government concerning the District Fund Imprest of the affected taluks in this district.

IX. Read Saklespur Assistant Commissioner's letter No. 346, dated 1st—3rd December 1908, stating that when he inspected the in-patient wards attached to the Local Fund Dispensary at Saklespur, he found that the in-patients in the ward were not supplied with clean bedding and the reason was ascertained to be one due to non-supply of new bedding to the dispensary and also to the fact that the medical officer in charge is not authorized to purchase the same; further, the allotment of Rs. 5 a month for feeding purposes is too poor for such an important dispensary as at Saklespur.

Resolution.—Resolved that this Board have already passed resolutions No. XII, dated 8th August 1908, and No. VI, dated 22nd September 1906, in the matter of increase of feeding charges of in-patients. Further resolved that as the District Board pay Rs. 10 per annum for each dispensary on account of bedding, clothing, etc., the Senior Surgeon be addressed requesting him to kindly order the supply of bedding, clothing, etc., for the wards at Saklespur and other places where the same have been applied for in the annual indent.

Resolution.—Resolved that the members of this Board regret that they cannot agree with the views expressed by the Sanitary Commissioner and for reasons stated in letter No. 1248, dated 11th March 1908, of the Kadur Deputy Commissioner, addressed to the Sanitary Commissioner, this Board are still of opinion that it is not practicable to place the Sanitary and the Assistant Sanitary Inspectors employed by the Taluk Boards, under the control of the Sanitary Department, which as already decided by the Government is purely an advisory body and not an executive one.

XI. Read again Government Proceedings No. 4914-5—L. F. 137-06-2, dated 11th December 1906, sanctioning the recommendation of this District Board in the matter of reducing the rate of toll on four-wheeled and two-wheeled carriages as a tentative measure for two years, at the end of which a report to be submitted on the financial effect of the reduction now sanctioned.

B. 389-07, dated 12th September 1908, ordering that the amounts sanctioned from District Funds, on account of Vaidyasalas, are of the nature of grants-in-aid and so the pandits in charge of the institutions cannot be regarded as full time servants, etc.

Resolution.—Recorded and resolved that this Government order be communicated to the Taluk Boards for intimation to the pandits concerned. Further resolved that Government be addressed inviting reference to Government Proceedings No. 11782-4—L. B. 444-06-2, dated 13th June 1907, confirming the appointments of the Vaidyasala pandits of this district on the strength of which, the incumbent at Harnahalli, sent in his proposal for the Mysore Government Life Insurance which was accepted by the Insurance Committee.

Resolution.—Resolved that the records be returned for a report by the permanent Deputy Amildar, as to why the sante should not be established at Kundur instead of at Siddapur since there are District Fund roads leading to the former and no such roads leading to the latter and Siddapur appears quite in a distant corner of the area intended to be served by the proposed sante.

J. S. CHAKRAVARTI,
Comptroller.

Circular No. 6—P. W., dated 23rd February 1909.

To—All Executive Engineers, Sanitary Engineer, Chief Electrical Engineer and all Civil Officers.

In connection with Savings Bank Deposits of securities taken from subordinates, it has been noticed that when, at the request of the party, the amount of interest is paid to him, the transaction relating thereto is passed through the Cash Book bringing the amount on the receipt side as "Deposits, Ordinary" and charging it off on the payments side as "Payments into Treasury." The amount is then paid to the party by cheque and debited to Deposits, Ordinary. This procedure being irregular, the Comptroller has the honor to request that the following procedure may be followed in future:—

(1) Interest should be allowed to be drawn by the depositors every year and in doing so, the depositor should make his own arrangements for receiving it when due, direct from the Savings Bank, on a letter from the officer who received the deposit authorising the Savings Bank to pay it. The Pass Book should be sent direct to the Savings Bank with the intimation of such permission having been granted. The transaction should not pass through the Government accounts.

(2) When an account is, however, finally closed by giving the amount back to the party, it should be drawn from the Savings Bank and brought on to deposits, the same procedure as in the case of other miscellaneous receipts being followed in adjustment.

(3) When the amount has to be adjusted to the credit of Government, it should be done by Book Transfer.

J. S. CHAKRAVARTI,
Comptr., P. W. & Ry. Branch.

2. Read revised plan and estimate regarding the proposed construction of a vegetable market on the east fort glacis near Kalasipalya, as called for in the General and Revenue Secretary's docket No. 8946—Ml. 431-06-4, dated the 9th March 1908.

Resolved that in submitting the plan and estimate called for by Government regarding the proposed construction of a separate vegetable market for the City, the Council are unanimously of opinion that, after inspecting the old market site, as also, the site where a new one is proposed to be built, and further considering the unsuitability of the new site which is all made-up soil formed by filling up the old fort trench and looking to the convenience of the public in general, including those of all the extensions, it is highly desirable to improve the existing market which may be left where it is, as its removal will cause great inconvenience to the public and that the same may, however, be improved on sanitary lines by acquiring the row of small insanitary houses situated alongside the Siddicatta road to the west of the market, as also the garden land situated to the north beyond the main drain up to Gundopanth road.

3. Read the General and Revenue Secretary's docket No. 1201-10—San. 250-07-7, dated the 1st August 1908, requesting the submission of the opinion of the Council on each of the proposals made by the Sanitary Commissioner in view to keep the plague expenditure for 1908-09, within the budget grant.

Resolved (1) that no special Police establishment is necessary, and (2) that the conservancy and the plague staff cannot be amalgamated in the City, at least for the present, as it is difficult of control and the duties assigned for the plague Staff cannot possibly be performed by the conservancy staff without detriment to their legitimate work, and that where plague staff does not exist, disinfection work may be entrusted to the conservancy staff.

4. Read Public Works Secretary's Memo-No. 1135—7727, dated the 8th December 1908, forwarding copy of his docket No. 1133—7725 of the same date to the address of the Chief Electrical Engineer of Mysore, conveying sanction of Government to the estimate amounting to Rs. 1,15,695 for installing 518 electric lights in the extensions and suburban villages of the City except Munireddipalyam.

Resolution.—Recorded.

5. Read Sub-Committee's further report *in re* the location of a vegetable market in Akkipet.

Resolution.—The Sub-Committee's report be accepted and a recommendation made to Government accordingly to acquire the proposed site belonging to Mr. Kumbum Shamaiengar for the construction of the minor market at Akkipet.

Garudachar, Municipal Councillor, No. III Manavartepet Division, requesting to appoint some other member to stand on the Committee for auditing the Municipal accounts for the quarter ending 31st March 1909 in his stead for the reasons given.

Resolved that Mr. Veerabhadra Chetty, Municipal Councillor, be elected as Auditor, in place of Mr. Garudachar, who has withdrawn.

7. Read Public Works Secretary's letter No. 1198—8176, dated the 22nd December 1908, stating that Government have, after a careful consideration, decided that it would be undesirable to allow the public to construct house-connections themselves.

Resolution.—In recording the Secretary's letter, the Council unanimously feel and express that the rates charged for house-connections are very excessive.

8. Read Government Proceedings No. 6015-26—San. 94-08-2, dated the 26th December 1908, extending the concession of the supply at Government cost of clothing and boots to the subordinate establishments in the Plague Hospitals as in the case of the disinfection staff.

Resolution.—Recorded.

9. Read docket No. R. 1790, dated the 8th January 1909, from the Deputy Commissioner, Bangalore District, expressing his views *in re* the grant to the Mysore Spinning and Manufacturing Company of the land covered by the Subedar Chattram road, etc.

Resolved that the resolution of the Council, as also the opinion of the Deputy Commissioner be communicated to Government, with the observation that the land in question forms a portion of the Provincial road known as "The Bangalore-Tumkur Road."

10. Read General and Revenue Secretary's letter No. 5955—Ml. 18-06-5, dated the 23rd December 1908, requesting that the question of the revision of the several establishments of the Municipality may be re-considered in the light of the remarks made therein and the result duly reported.

Resolution.—Deferred.

2. In the meanwhile, a comparative statement may be prepared, showing the income and expenditure under each head in the City and the Civil and Military Station and also in the Mysore City, giving the particulars of establishments, etc.

Resolution.—Recorded.

12. Read acquisition of certain lands in Doddapet for widening the old Patnulpete road.

Resolved that the lands proposed be acquired; but as the estimate seems to have not been carefully prepared, the same be sanctioned by the President, after rectification.

13. Read Municipal Councillor Mr. B. K. Garudachar's proposition, suggesting the levy of taxes on Transport carriages utilized for other than Government purposes.

Resolved that Government be requested to call upon the Officer in charge of Government Stables to furnish the Municipality with a statement showing the number of carriages let for hire each month from the beginning of the current official year, to enable the Municipality to consider the advisability of imposing a vehicle tax under the rules.

14. Read Government Proceedings No. 704-5—Pris. 27-07-14, dated 2nd September 1908, sanctioning a rate of 2 annas per head per diem for convict labor, instead of the payment of establishment charges as at present.

Resolution.—Adjourned till the next meeting.

15. Read Government Proceedings No. 1224—San. 106-07-10, dated the 6th July 1908, calling for the opinion of the Council *in re* investing the Council with powers under clause 2 of Section 144 of the Municipal Regulation.

Resolved that the Municipal Council consider that it is unnecessary, for reasons stated previously.

REVENUE DEPARTMENT.

Circular No. D. 1525-30, dated 11th March 1909.

In continuation of this office Circular No. 1111-18, dated 19th—22nd February 1909, has the honor to state that it is very desirable that all works proposed to be taken in hand during this season of distress should be marked in a map so as to afford ready facilities for finding their exact situation and identification as required in para 17 of the Famine Code. The Deputy Commissioners of Districts are therefore requested to have maps prepared as suggested below and to have one copy of each submitted to this office :—

A. *Maps.*

2. Taluk maps may be used as they are drawn to a sufficiently large scale to admit of the insertion of all works, both large and small, and as the Amildars are familiar with them. On these maps the longitude and latitude should be marked by marginal lines at every 5 minutes, exactly as in the Topo maps. Tracings of these should then be taken and on them through lines of longitude and latitude should be drawn in thick red ink at intervals of 10 minutes beginning with the first multiple of 10′ in the map, which will correspond to about $11\frac{1}{2}$ miles square, each of which will be a *Circle* or *Division.* Numbers of the Topo maps containing the taluk should be noted, both on the original drawing and the tracing. These maps once filled in with the above information will ever after afford facilities for inter-reference between Topo and Taluk maps which is a great advantage.

3. A specimen of a Taluk map drawn to a scale of 4″=1 mile showing how latitude and longitude lines, etc., should be drawn is prepared in this office and circulated for information and guidance.

B. *Works.*

4 All works costing more than Rs. 250 only need be indicated on the map in *red* ink, when it is not otherwise specified, as follows :—

(1) Large Public works ... a_1, a_2, a_3, etc.
(2) Small public works ... b_1, b_2, b_3, etc.
(3) Village works, Civil ... c_1, c_2, c_3, etc.
(4) Village works, aided or unaided ... d_1, d_2, d_3, etc.
(5) Drinking water wells ... ⊙ in blue pencil.
(3 Irrigation wells ... □ in blue pencil.
(7) Temporary drinking water wells ... ⊕ in red pencil.
(8) Filling trenches ... ////// in red pencil.

Note.—Immediately below the above first 4 classes of works should be noted the amount of the estimate available for relief labour.

C. *Statement.*

5. The statement of sanctioned works should be prepared, submitting a copy of it to this office, giving each work a consecutive number ; and the number once given to a particular work should on no account be changed subsequently. These numbers should be marked on the plan opposite to the work in red ink in brakets, thus :—(1), (2), etc. As small works costing less than Rs. 250 do not appear in the map, a separate index sheet of such works as shown below may be prepared and kept attached to the plan.

(6) Well at ... . (11) Temporary well at. ..	
	(4) Removing prickly-pear, etc., in ..... village (16) Do ..... (18) Well at .....

When fresh works are sanctioned, they should be inserted both in the plan and the statement in accordance with instructions given above. The same will also be done in this office.

7,000	7,500	(c) *Betel-leaves.*—The actuals of the past year justify the increase proposed for the year 1909-10.
10,500	11,000	*Class II.—Tobacco (Local and foreign).*—The income under this head is gradually increasing owing to extra vigilence taken by the patrolling agency to prevent smuggling as is evidenced by the actuals of the past year and those of the first half of the current year. The question of strengthening the staff by a better paid agency is under the consideration of the Council and the proposals on that head will form the subject of a separate communication. There seems to be a prospect of further increase in revenue if the contemplated proposals be brought into effect.
7,000	7,500	*Class III, Timber.*—The house-building operations in the extensions and the re-building of houses in the old City on sanitary principles have contributed to the increase and this impetus in the timber market is likely to continue for some time. The actuals of the past year are in favour of the increased provision.
30,000	32,500	*Class V, Piece-goods.*—Increased local consumption and supply to retail-dealers coming from outside account for the increase. The actuals of the past year justify the anticipated provision for 1909-10.
3,200	4,500	*Class VI, (a) Sugar.*—Owing to greater scrutiny on the part of the Octroi Department, the revenue has increased during the past year. The income under this head during the first half of the current year is promising. Hence an increased provision for the ensuing year.
33,000	33,500	*II. Tax on Houses, Buildings and Lands.*—A large number of new houses are under construction in the extensions and old ones in the City are being improved. They are likely to be completed and assessed before the year 1909-10 commences. This accounts for the increased provision.

1908-09	1909-10	
6,600	8,500	*Lighting Tax.*—The sum of Rs. 8,500 shown under this head represents not only the lighting tax calculated upon the estimated income under 'Tax on houses, buildings and lands' but also includes Rs. 1,800 which represents the lighting tax on the estimated annual rental value of shops liable to mohatarfa as laid down in Government Proceedings No. 4647-8—L. F. 37-99, dated the 28th May 1904.
19,800	20,100	*Water tax.*—The explanation furnished for the increased provision under 'Tax on houses, buildings and lands' also holds good for the anticipated increase under this head.
17,000	17,500	*III License Receipts, (a) Liquor Shops.*—There has been a steady rise in revenue under head "Excess sale of arrack" as may be seen from the actuals of the past year and those of the first half of the current year.
15,500	16,000	*(b) Other Licenses.*—Owing to lax supervision in checking licensed items in general and those under "Animal and vehicles" in particular, there was a heavy drop in the income under this head in the past year. With better arrangements it is hoped to show substantial improvement under this head.
13,500	15,000	*Mohatarfa (a) Shop tax.*—Several new shops have sprung up both in the City and in the New Tharagupet. The old ones have been improved and extended with the incidental revision and increase of mohatarfa. Hence the proposed increase of Rs. 1,500.
200	500	*X. Miscellaneous Sale of Lands.*—There is a large demand for sites in the New Guttahalli and Seshadripuram Extension of the City where sites are still available for sale.
1,500	4,000	*Land Revenue and Local Cess.*—The income of Rs. 4,000 under this head remains steady. The estimate of Rs. 1,500 shown for the current year appears to be an error.
Nil.	250	*Amarayi.*—The sale proceeds of dried trees and branches lopped from avenue trees with the minor produce of topes, etc., situated within the City were being shown under head 'Other items' in former years. This has been separated and classed as a distinct sub-head.
2,000	5,000	*Other items.*—The sale proceeds of fort stones, earth and various other minor items of Municipal revenue for which no separate head exists in the Municipal Budget are credited to this head. The income thereof will naturally be fluctuating. As there are large number of stones still available for sale with increased demand by purchasers of sites in the three extensions, an additional provision of Rs. 3,000 is made for the year 1909-10. The actuals of the past year and the first half of the current year justify the estimate. The other items call for no remark.

EXPENDITURE.

14,266	15,736	*II. Head Office.*—The details for the excess provision are given in the margin. No provision was being made in the Municipal Budget under item No. 2, during past years, as no expenditure was ever incurred. But

	Rs.
1. Extra pay of the Vice-President over the provision of the current year	1,200
1. Travelling allowances for which no provision was being made in the past years	200
3. Additional provision for contingent expenses of Head Office ...	60
4. Do do for Postage ...	10
Total ...	1,470

1908-09.	1909-10.	
		in connection with the Exhibition held at Mysore during the Dasara season, some of the Municipal servants were sent to witness and benefit by the Exhibition. Their travelling expenses had to be met by re-appropriation. In order to meet this expenditure in future years without having recourse to re-appropriation, a sum of Rs. 200 is provided for the ensuing year under head "Travelling Allowances." The sum of Rs. 15 hitherto sanctioned for contingent charges is found quite inadequate to meet the expenses of purchasing country stationery articles, the requisites for the type-writing machine and Cyclostyle. A small increase of Rs. 5 per mensem is therefore provided. The present provision of Rs. 10 for 'Purchase of Postage Stamps' has been found insufficient, as the correspondence outside Mysore both in the matter of the recovery of taxes and other items has increased. In some cases, important endorsements and notices shall have to be sent by Registered Post necessitating the affixing of extra stamps.
5,630	6,154	*III. Collection, (a) Octroi.*—The increased provision of Rs. 524 made under this head is due to two items, *viz.*, (1) Rs. 24 under 'Contingent Charges' and (2) Rs. 500 under 'Other Miscellaneous Charges'. Rupees 7 now sanctioned for contingent charges of the Octroi Department is intended to cover the expenses of purchasing country stationery required for the use of the Octroi Inspector's Office, as also the nine Ookads. This sum is not at all sufficient. Some of the Ookads are located far away from the City and complaints have reached that these are not lighted for want of oil. The sooner this reproach is removed, the better. The sum of Rs. 500 provided under item No. (2) is intended to meet the additional establishment charges, proposals for which will shortly be made. It requires no proof to say that the Department is poorly paid and therefore ill-manned. The Government have recognized the necessity of reorganizing the Octroi staff.
6,940	7,664	*(b) House Tax and Mohatarfa.*—The total amount provided under this head in excess of the sanctioned budget for the current year is Rs. 824 as per margin. But the saving of Rs. 100 shown under head 'Allowance to Municipal Councillors' by cutting down the usual figure of Rs. 400 to Rs. 300 will reduce the actual increase to Rs. 724. The increase of Rs. 24 under 'Contingent Charges' is necessary on account of the increased expenditure of stationery in connection with the extensions. (2) 'Numbering Houses' is a fresh item of expenditure and as such, requires detailed explanation. The houses in the old City were numbered so long ago as in the year 1891-92 while the Extensions remained untouched. Great difficulty is experienced in identifying houses in all the divisions in the City as in the majority of cases, door numbers have disappeared for various causes. New houses have cropped up, a few old houses are in a state of decay, some houses have been repaired and improved.

	Rs.
1. Contingent Charges ...	24
2. Numbering houses ...	800

1908-09.	1909-10.	
		Whilst an appreciable number in congested localities was acquired and demolished and roads opened out since. According to the Demand Register of Taxes maintained in the Municipal Office, the only means of identifying houses for the purpose of collection is the door number of each house and this has been fast losing hold. A regular Census of the City and the Extension for re-numbering cannot therefore be taken up too soon in the interest of the Municipal revenue. As this entails an expenditure of not less than Rs. 3,000, it is proposed to make a beginning with a modest sum of Rs. 800 from the commencement of the next year.
748	1,128	*III. Collection, (c) Hackney Carriages.*—It has been brought to notice that the owners of cycles have not obtained licenses in several cases as required by the Regulation. Arrangements have been made to rectify the omission in this direction. This is a laborious task and there is no establishment. It is proposed to get small square tin-plates prepared and attach them to each cycle with its number noted thereon as has been done in the City of Madras. This will enable the Municipality to find out at once which bi-cycle has been licensed and which not. A sum of Rs. 150 is provided. At the rate of four plates for a rupee, it is estimated to get 600 such plates for the present. Hackney carriages and carts plying for hire in the City are required to take out licenses. They are at present numbered by an unlicensed painter. A fee of annas four is recovered from each cartman by the painter without reference to Municipal accounts. Taking the number of carriages and carts into calculation, the total amount recovered comes up to Rs. 400 in a year. This procedure is as objectionable as it is demoralizing. It is therefore proposed to credit the amount recovered to the Municipality and employ a trained painter for the purpose. This arrangement is expected to bring in savings to the Municipality. A sum of Rs. 230 is provided under this head.
35,004	36,492	*IV. Conservancy, (a) Supervision, (12) Totis and (14) Sweepers.*—After a careful study of the actual requirements of the City, the Health Officer proposes the entertainment of twelve additional totis to extend house conservancy and eight sweepers for cleaning the drains recently handed over to the Municipality by the Sanitary Department involving an additional expenditure of Rs. 1,008 and 480 respectively. As this increase is necessary, it is included in the budget. Owing to the dearness of fodder it has been impossible to get silt carts at the present rate of Rs. 15 per mensem. The rate has been raised to Rs. 18. This gives a net increase Rs. 972. It is provided in the budget.
8,417	7,389	The provision of Rs. 2,000 under (*b*) 'Other Charges, 7 miscellaneous' sanctioned in the current year's budget to meet the cost of additional establishment under 'Conservancy' is omitted for the ensuing year, as separate provision is made therefor.
6,216	6,228	*VIII. Public Works, (a) Supervision.*—The provision under 'Contingent Charges' is raised by Re. 1, as the present allotment is inadequate.
81,000	75,000	*Works.*—The allotment for works of different kinds are particularized in Form No. I after careful

1908-09	1909-10	
684	744	consideration of what is required in the several parts of the City. *IX. Charitable Grants. Chamarajpet Dispensary.*—The landlord of the house in which the Dispensary is located in Chamarajpet represented that there was demand for his house on a higher rent that in the event of the Municipality not being inclined to raise it by Rs. 5, the building might be vacated. The request being reasonable the Council agreed to the increase of the rent applied for. This accounts for the increased provision.
2,647	2,587	*X. Education Kannada Boys' School.*—It was under contemplation to locate the school in a rented building in the City for the convenience of the school children and a sum of Rs. 240 had been provided for the purpose. But as this arrangement could not be brought into effect at present for want of a suitable building, the provision is omitted. Provision is, however, made for a Gymnastic Instructor for teaching manual exercises to school boys.
1,641	1,420	*Chamarajpet A.-V. School.*—The provision of Rs. 221 under (12) Other Miscellaneous charges is omitted, as there appears to be no need for it.
588	888	*Schools, Grant-in-aid.*—A sum of Rs. 300 as grant-in-aid for Hindu Anglo-Vernacular School, Sultanpet, is provided as per Government Proceedings, No. 3811—Ml. 104-08-2, dated 23rd October 1908.

The undermentioned Amildars and Deputy Amildars were also present:—

1. Amildar of Maddagiri Taluk.
2. „ Sira Taluk.
3. „ Tiptur Taluk.
4. „ Pavagada Taluk.
5. „ Kunigal Taluk.
6. Deputy Amildar of Koratagere Taluk.
7. „ Turuvekere Sub-Taluk.

I. Read and passed the District Fund Accounts of Receipts and Expenditure for the months of July and August 1908, audited by the Comptroller.

II. Read Government Proceedings No. G. 2918-35—G. M. 56-08-11, dated 13th November 1908, revising the establishments attached to the 1st and 2nd class travellers' bungalows and recommending to District Boards the feasibility of reducing the establishments of 3rd class bungalows wherever possible.

Resolution.—The 3rd class bungalow establishment is already at the lowest possible minimum and further reduction is impossible as one caretaker on Rs. 5 constitutes the entire establishment. So far from desiring a curtailment of the existing establishment, the Board has all along been of opinion that the existing establishment is insufficient, and recommended the entertainment of a scavenger on Rs. 6 per mensem for each of the 3rd class bungalows as much inconvenience was felt by travellers for want of such scavengers. The recommendation, however, was not sanctioned by Government. They beg leave to press the question again for favourable consideration. It is impossible for the one caretaker to keep the compound clean.

III. Read General and Revenue Secretary's docket No. 5825-30—L. B. 275-05, dated the 17th December 1908, inviting attention to Government Order No. 7620-36—L. B. 275-05-13, dated 6th March 1907, calling for a report at the end of 1907-08, on the working of the scheme for the institution of prizes to the patels who keep their villages most clean and tidy and requesting the favour of a reply thereto and the papers connected with the subject.

Resolution.—On a perusal of the reports received from the Amildars, it cannot be said that the scheme was one of success. The Board are still of the opinion that they expressed in their Proceedings dated 8th February 1906, when they expressed themselves as very diffident in concurring with the views of the Bangalore District Board.

IV. Read General and Revenue Secretary's docket No. 6513—L. B. 220-08-2, dated 12th January 1909 requiring the Board's Resolution in the matter of purchasing two conservancy carts for the Bellavi Union.

Resolved that two conservancy carts at a total cost of Rs. 80 be purchased for the Bellavi Union and that the same be met out of the sum provided for the Kyatsundra Union.

V. Read Excise Commissioner's letter No. 5650 dated 12th December 1908 requesting to be informed whether it is possible to meet out of the District Funds of this district the proportionate cost of repairing the cart-track from Agalkote in the Magadi Taluk to Sondalgere in the Kunigal Taluk, etc.

Resovled that the matter of contributing towards the cost of repairs to the cart-track referred to, be considered next year.

VI. Read docket No. 1092, dated 15th January 1909 from the President, Hassan District Board, forwarding copy of the Resolution of the Hassan District Board regarding the opening of a toll-gate at Karehalli in the Channarayapatna Taluk with a view to find funds to keep the Channarayapatna-Tiptur road in a good condition and requesting to be favoured with the President's opinion in the matter in consultation with the District Board of Tumkur, etc.

Resolution—With the exception of one or two members all agree to the proposal of the Hassan District Board in regard to the proposed toll-gate at Karehalli on the Channarayapatna-Tiptur road as proportionate profit from the tolls would enable this Board to better maintain the portion of the road lying within the Tumkur District.

VII. Read Executive Engineer's docket No. 48, dated 27th January 1909, stating that the actual length of the Challakere-Pavagada road is 19 miles and not 21 miles as noted in the sanctioned budget and that the excess of Rs. 100 granted for the said road may be resumed and appropriated for repairs to the 3rd class travellers' bungalows, etc.

Resolution.—Approved.

VIII. Read Executive Engineer's docket No. 39, dated 23rd January 1909, forwarding for countersignature an estimate for Rs. 480 for repairing the tunnel on Banawara-Sira road.

Resolution.—Approved.

IX. Read Executive Engineer's docket No. 336, dated 11th December 1908, forwarding for sanction two special estimates amounting to Rs. 4,093 for metalling the bad furlongs of Nelligere-Sira road with a view to find labour for cooly classes in the affected parts of the Turuvekere Sub-Taluk and papers connected therewith.

Resolution.—The work proposed is urgent and necessary. The sum of Rs. 4,093 required for this work may be met out of the provision in the current year's District Fund Budget under B. Public Works. The less important budgetted works may be stopped this year.

X. Read Executive Enginner's docket No. 10, dated 12th January 1909 intimating that an estimate for Rs. 4,108 for metalling the Tumkur-Maddur road has been sanctioned by the Secretary to Government, Public Works Department, and proposing that the sum of Rs. 1,500 granted in the current year's budget for opening out a road from Halkur to Honnavalli may be transferred for carrying out the above said road work, etc.

Resolution.—Out of the sum of Rs. 1,500 required for the road, a sum of Rs. 900 may be made avilable out of the current year's grant under B. Public Works and the balance of Rs. 600 may be met by reappropriation out of the provisions made in the current year's budget under the marginally noted heads, as the amount provided for Halkur-Honnavalli road was resigned at the instance of the Financial Secretary to Government.

	Rs.
VI. Conservancy and Sanitary charges ...	400
X. Mis. (3) Destruction of cover afforded to snakes ...	200
Total ...	600

XI. Read Executive Engineer's dockets Nos. 335 and 339, dated the 11th and 14th December 1908, forwarding estimates for the marginally noted works for countersignature.

1 Repairing 3rd class travellers' bungalow at Badavanahalli .. 95
2 Do Nelabal ... 200

Resolution.—Approved.

XII. Read the District Fund Budget estimates for 1909-10 compiled by the Finance Committee.

Resolution.—Passed.

XIII. Read Maddagiri Sub-Divisional Officer's yadis Nos. 256 and 259, dated 12th January 1909, forwarding the Maddagiri Taluk Amildar's reports submitting certain proposals for increasing the establishments in the newly constituted Unions and pay of sweepers employed in them from Rs. 3 to 5, and Gubbi Sub-Divisional Officer's yadi No. 469, dated 18th January 1909, recommending an increase of pay to the sweepers in Honnavalli Union, Tiptur Taluk, from Rs. 5 to 6.

Resolution.—The recommended increase of pay is unnecessary. The prevailing rate of pay at Rs. 5 being already too high, the opinions of the Taluk Boards will be invited as to the advisibility of reducing the rate to Rs. 3 uniformly throughout the district. It is better perhaps to increase the number of sweepers.

XIV. Read the list of works proposed to be carried out during the year 1909-10 out of the Irrigation Cess Fund.

Resolution.—Passed.

XV. Read the well-boring instruments and tube wells as per details noted in the margin may be purchased out of the provision in the current year's District Fund Budget under B. Public Works for use in the several taluks of this district. With these instruments many old wells can be easily deepened and the cost of new wells avoided to a large extent.

	Rs.
Well-boring instruments—	
24 iron bars and 26 pulleys at a cost of about ...	480
Tube wells—	
12 sets of hand drawing apparatus and 2 dozen pumps at a probable cost of ...	1,800
Total ...	2,280

XVI. Read and passed the list of works sanctioned during the month of December 1908.

XVII. Resolved that the next meeting of the Board be held on 6th May 1909 at 2-30 P.M.

REVENUE DEPARTMENT.

Official Memorandum No. D. 1604-11, *dated* 16—17*th March* 1909.

To the Deputy Commissioners of Districts.

With reference to the marginally noted circulars issued from this office requiring the submission by Deputy Commissioners of monthly statements showing the particulars of loans, advances and expenditure sanctioned and disbursed during this season, the undersigned observes that the returns for February 1909, due on the 15th instant have not yet been received in this office. It is now pretty long since expenditure began to be incurred for the relief of distress and local officers should have had sufficient time to understand the working of the various measures adopted in this connection. The undersigned desires to impress on the Deputy Commissioners that he will be unable to sanction additional allotments that may be applied for from time to time if the weekly and monthly returns of expenditure are not submitted within the prescribed dates. As the weekly statements received from Amildars are frequently inaccurate and incomplete, the undersigned hopes that all the Deputy Commissioners will attend to the prompt submission of the monthly returns.

(2) No. D. 887-94, dated 11th February 1909.
(3) No. D. 1125-34, dated 23rd February 1909.

2. The Amildars of Krishnarajpete, Mysore and Channagiri have submitted some of their monthly returns directly to this office. As such returns cannot be properly checked in this office, the Deputy Commissioners are requested to themselves obtain and submit consolidated talukwar statements to the undersigned after scrutinizing the figures furnished by subordinate officers.

REVENUE DEPARTMENT.

Circular Memorandum No. D. 1807-14, *dated 26th March* 1909.

For the relief of distress in the present season, the Government have permitted grant of loans for Takavi, Land Improvement, Earthwork to be carried out to minor tanks and Gokattes, etc. Under the standing orders of Government, the village roads communicating villages with the main Provincial and District Fund roads have to be made by the villagers themselves and only the cost of masonry works such as culverts, etc., is contributed by Government. It is noted that in some districts, especially in the Chitaldrug District, the villages are generally at some distances from the main road; and the earthwork, especially in black cotton soil, must be considerable. In such cases it will be good if the villagers can be encouraged to apply for loans from Government and carry out the work by paid labour contributed by the villagers themselves and the loan liquidated in due course in some specific proportions by the residents of the village. On similar lines villagers may also be encouraged to go in for village topes and avenue trees. The main principle in this is that though the Government may be able to contribute the whole or part of the outlay required in a famine, such outlay of Government funds is not yet called for and it will be a great advantage to the villagers to secure lasting benefit and present means of subsistence near their homes.

EXCISE DEPARTMENT.

Notification.

No. 9012, dated 7th April 1909.

NOTICE OF SALE OF DATE TODDY SHOPS FOR A PERIOD OF THREE YEARS FROM 1909 TO 1912.

Notice is hereby given that the exclusive privilege of selling toddy in the several shops appointed for the purpose and published in the Schedule during the three years beginning 1st July 1909 and ending 30th June 1912, will be put up to public auction by Deputy Commissioners or Revenue Assistant Commissioners or District Officers of the Excise Department or other officers specially authorized by the Deputy Commissioners for the purpose, on the dates and at the Taluk Head-quarters mentioned in the statement annexed, subject to the conditions hereinafter set forth. If the sales are not completed on the dates fixed, they will be continued on the next following days, close holidays excepted.

Conditions of Auction Sale.

II. A deposit must be made by each bidder previous to bidding and will be received *by the selling officer on the day of sale.* A deposit of Rs. 50 will ordinarily be required from any person wishing to bid for any important shop or any large number of shops. This will be reduced to Rs. 20 in the case of bidders for not more than two or three shops of an aggregate monthly value of Rs. 50 or less and to Rs. 5 in the case of bidders for single small shops. In the case of shops whose average monthly rental is very small, the selling officer may fix such other reasonable amount as he may deem fit.

III. (*a*) The shops will be put up to public auction in the order in which they are notified in the schedule unless the selling officer sees reason to change that order. The upset price at which the shop or shops will be put up to auction will be the average of the three previous years' rentals. This price will not be lowered and if there are no bids for or above the upset price, the shop or shops will generally be sold for a period of one year only, and then the conditions applicable to the annual lease of toddy shops by auction will apply to these shops also.

(*b*) The Deputy Commissioners have full discretion to work the scheme of the three years' lease if the rentals realized for the whole taluk is not less than the average of the three previous years' rentals, though individual shops may not fetch a rental equal to the average of its three previous years' rentals.

(*c*) The rentals and the consumption of the previous three years together with their average will be published for the information of bidders.

(*d*) The privilege in any Coffee estate may be sold to the planter for a fixed amount not less than Rs. 12 per shop per annum.

(*e*) Toddy shops in alienated villages whose claims to the Excise revenue from toddy have been recognized or have not yet been settled shall invariably be sold separately and the amounts connected therewith shall be shown in the accounts under a distinct head.

IV. Every shop should as a rule be sold independently. Grouping should be resorted to only under very exceptional circumstances limiting the number of shops so grouped strictly to the necessity of the occasion.

V. No person will be allowed to bid for another unless he holds a power-of-attorney from the latter.

VI. No shops will be knocked down in the name of two or more persons unless they represent a duly recognized company or firm by means of a power-of-attorney. The selling officer shall refuse to register as a purchaser any one in whose name the building has not proceeded.

VII. The officer conducting the sale may, at his discretion, refuse to accept the bid of any person on the ground that it is too low or that he has been convicted by a Criminal Court or has previously been guilty of such a breach of the conditions of a license or of a contract under the Excise Regulation or Opium Act, as to render him undesirable as a holder of a license or on the ground that he is insolvent or to prevent arrangements to the detriment of Government interests or for any other valid reason. He may also refuse any bid which he may consider to be purely speculative after recording his reasons for doing so.

VIII. The shops will be knocked down to the highest bidder, but the sale will be subject to formal confirmation by the Deputy Commissioner, who shall be at liberty to accept or reject any bid at his discretion. Such formal confirmation will be tantamount to an

acceptance of the bid unless revised by the Government for special reasons and will be necessary whether the sale be held by the Deputy Commissioner himself or by any officer appointed by him.

IX. In cases of dispute at the time of auction the selling officer's decision shall be final; and if for any reason the highest bid is rejected the next highest shall be taken or the shop re-sold at his discretion.

X. Tenders after auction shall not generally be accepted. Shops remaining unsold at the first auction shall ordinarily be disposed of by re-auction later on. But the Deputy Commissioner has full discretion on this point.

XI. At the close of each day's sale, the deposits made by the unsuccessful bidders will be returned to them. As the auction proceeds, each person whose bid is accepted shall at once, if so required by the selling officer, or otherwise at the close of the day's sale, make a further deposit* of two months' rent (in addition to the deposit made under condition II) for each shop unless the initial deposit equals or exceeds six months' rent. Should he fail to do so, the deposit made by him under condition II will be forfeited and the shops will be put up again immediately to auction by the selling officer on the above conditions or otherwise disposed of by the Deputy Commissioner and the defaulter will be debarred from bidding again for the same or for any other shop.

XII. Persons to whom shops have been knocked down and who have made deposits as provided in conditions II and XI shall leave their address with the selling officer, in order that the confirmation of the sale may be communicated to that address by a notice and they shall also * deposit such further sum as with the former deposits will make up six months' rent. Such deposit should be paid into the Taluk Treasury within seven days from the date of communication of the notice of the Deputy Commissioner's acceptance of the bid by its presentation to themselves or to any adult male member of their family at the place of the said address, or by its despatch duly registered by post. They shall then *without unnecessary delay* execute the necessary engagements and take out licenses on the conditions hereinafter set forth. In the case of a purchaser's death after signing the agreement, it will be binding on his heirs and assigns. Should the initial deposit exceed the sum required to be deposited under this condition, the excess will be refunded unless the purchaser is required to make a deposit (twice that sum) under condition XIII *infra*.

XIII. If on enquiry subsequent to sale the purchaser shall be found to be of doubtful solvency or a foreigner having no sufficient property in the Mysore State he may be required either to deposit twice the sum prescribed in condition XII *supra* or to get a surety or sureties, residents of and possessing sufficient property in the Mysore State to execute a security bond for the due payment of all moneys that may become due by him under the terms of the contract. The bond shall be stamped (Article 32 of Schedule I of the Mysore Stamp Regulation, II of 1900) and also registered at the expense of the purchaser if the amount secured exceeds Rs. 1,000.

XIV. As soon as the sales are over, the sale conducting officer shall forward a list of the successful bidders to the Amildar of the taluk concerned, who shall enquire into the solvency of, and record the amount of deposit or surety required from each purchaser. He should submit the list so prepared to the selling officer within five days of its receipt and the latter should submit the same with his remarks to the Deputy Commissioner for confirmation without delay.

XV. On the failure of any person to make deposit under condition XII or to comply with the requisition under condition XIII *supra* or to execute engagements and take out licenses as aforesaid, the deposits already made may be forfeited and the shop be re-sold or otherwise disposed of at the discretion of the Deputy Commissioner.

XVI. Re-sales effected under condition XV will be at the risk of the defaulting bidder, who will forfeit all gain, and, in the event of loss, will be required to make good the deficiency between the total amount payable for the whole period under the terms of the original sale and the total amount payable by the successful bidder at the re-sale. In the latter case the forfeited deposits will be deducted from the loss arising from the re-sale, and the remainder, if any, will be recoverable from the defaulter in the same manner as if it were an arrear of land revenue. Should, however, the forfeited deposits be greater than the loss by re-sale, the whole of such deposits will be credited to Government. The defaulting bidder will be similarly liable if the privilege is disposed of otherwise than by re-sale and such disposal results in loss to Government as compared with the original sale.

XVII. The purchaser of the privilege is liable to the penalties prescribed for breaches of the conditions set forth below though a formal license may not have been issued to him.

XVIII. The deposit referred to in condition XII or condition XIII, as the case may be, will be taken as security for the due performance of the conditions of the license. If the Amildar and the licensee so agree it may be credited towards the last instalment of the khists payable by the latter.

* Deposits may be in cash or other approved security.

XIX. The licenses issued under the above clauses will contain the following general conditions common to all Excise and Opium licenses and the special conditions prescribed below for toddy licenses :—

General conditions applicable to all Excise and Opium Licenses.

The manufacturers of arrack and other country spirits as well as the licensees of Arrack Bonded Depôts are prohibited from holding any interest in the retail vend of arrack or in the vend of other intoxicants, and from employing any person who has such interest. This prohibition does not extend to the wholesale supply by the manfacturers of special liquors or of rectified spirit to licensed vendors.

2. The limits within which sales under any Excise or Opium licenses may be carried on, will be specified by the Deputy Commissioner at the time of the grant of the license. The sale or possession (except subject to the rules applicable to unlicensed persons) of liquor, intoxicating drugs or opium outside those limits is prohibited, except with the special permission of the Deputy Commissioner.

3. Sales must be conducted in a suitable building of which the whole or part must be entirely set aside for use as a depôt or shop. If there are means of communications between the depôt or shop, and an adjoining dwelling house, they must be kept locked at night. In the case of arrack shops in Municipalities or towns having a population of 5,000, and over, the shop premises shall have no doors except into the main street; no windows or other opening shall be allowed to the rear or at the ends of the building; there shall be no possible means of ingress or egress in any other direction; the bar at which the sale is held shall be opposite the enterance door, and so situated that all persons inside can be seen by any one passing to and fro in the street, and no second room shall be used for sale, or be kept open for customers. The interior of the shop shall be sufficiently lighted by day, and the shop shall not be used as a place of residence, save by the vendor and his family or care-takers.

4. Except in the case when two or more foreign liquor licenses are held by one person, sales under each license issued must be in different premises (Chemists and Druggists and Medicial Practitioners excepted). The possession upon any licensed premises of any liquor, intoxicating drug or opium except that to which the license relates, or of any essence or substance used or capable of being used for colouring or flavouring liquor is prohibited. But intoxicating drugs made from opium other than Morphia or preparations for smoking may be prepared and sold in shops licensed for the sale of opium.

5. A signboard must be affixed to the front of each depôt or shop showing the nature and the number of the license under which the sales are conducted there, the name of the licensee and (except in the case of foreign liquor or special liquors) the current rate of sale. These particulars must be legibly painted in the local vernacular. The license must be hung up in a conspicuous place within.

6. All liquor, intoxicating drugs and opium sold or kept for sale shall be of good quality and unadulterated. Nothing shall be added to them either to increase their intoxicating power or for any other purpose except the manufacture of intoxicating drugs in accordance with the terms of a license. All officers authorized to inspect depôts and shops (*vide* condition 25 *infra*) are authorized to detain any liquor, intoxicating drug or opium found unfit for consumption or use, or which they may believe to have been tampered with, and the Excise Commissioner, Deputy Commissioners and District Excise Officers are empowered to destroy such as are found unfit for consumption or use.

7. The sale or transport of liquor, intoxicating drugs or opium by persons below the age of sixteen or by persons suffering from leprosy or any contageous disease, and the employment of such persons in the shops or depôts for the sale of the same are prohibited. The Deputy Commissioner may, where necessary, call for the names of all persons employed or proposed to be employed in depôts or shops and forbid the sale of liquor, intoxicating drugs or opium by any person of whom he may disapprove.

8. No depôt or shop shall be opened before sunrise or kept open after 9 P. M. except under special authority.*

Deputy Commissioners or Revenue Assistant Commissioners shall have power also to close any shops temporarily in times of religious excitement or disturbance. Every depôt and shop-keeper shall, on his own motion, close his depôt or shop when there is riot or disturbance in the neighbourhood.

13. The Deputy Commissioners may order the transfer of depôts and shops from one locality to another provided the distance is not more than two hundred yards or the closure of the same. But no new shops shall be opened except with the previous sanction of the Excise Commissioner.

14. The right is reserved to the Deputy Commissioner to grant "occasional licenses" for the sale of liquor, intoxicating drugs and opium, or the occurrence of fairs, festivals, etc., in places in the vicinity of which there are no regularly licensed shops. Such licenses shall ordinarily be granted to the shop-keepers who usually supply the locality or to the representatives of the renter. Their period shall not exceed fifteen days and the fee to be paid therefore shall be fixed at the Deputy Commissioner's discretion unless he decides to sell the same by public auction.

15. No liquor, intoxicating drug or opium shall be sold or given—

17. No holder of any Excise or Opium License will be allowed, without the written permission of the Excise Commissioner to possess or continue to possess any interest direct or indirect in any Excise or Opium license outside the Territories of Mysore, or in the Civil and Military Station of Bangalore.

18. Depôts and shops must be kept open unless their temporary or permanent closure is authorized under condition 12 or 13 *supra* and such supply of liquor, intoxicating drugs or opium as the Deputy Commissioner may consider sufficient to meet local requirements must be maintained therein. Shops not opened by 1st July shall be liable to be resold at the risk of the licensees.

19. No liquor, intoxicating drug or opium shall be sold in shops except for cash. The licensee shall be bound to give intimation of the offer of anything other than cash to the nearest Magistrate or Policer Officer. This condition is not, however, meant to restrict credit sales in the ordinary course of business by shop-keepers or Firms of standing and respectability dealing in Foreign and Special liquors for consumption off the premises.

20.* No liquor, intoxicating drug or opium shall be sold below or above such minimum or maximum or fixed prices as may be prescribed for the sale of the same in accordance with the law for the time being in force.

Permits for liquor, intoxicating drugs or opium received and the counterfoils of permits issued must be carefully filed. The signing of blank permits for subsequent issue is prohibited. The accounts and counterfoils of permits shall be preserved for one year after the period covered by the license and shall be produced when called for by any Excise Officer not below the rank of an Assistant Inspector.

23. Such returns and information as may be required from time to time by any Officer not below the rank of an Excise Assistant Inspector shall be furnished by holders of licenses without delay.

24. Only such weights and measures as may from time to time be prescribed by the Excise Commissioner shall be possessed or used on any licensed premises. The possession or use of weights or measures that are incorrect on any licensed premises will render the licensee liable to punishment.

25. Any officer of the Excise Department of rank not lower than Sub-Inspector is authorized to inspect licensed shops and depôts. These Officers are empowered to enter and examine the premises, to test weights and measures in use and the liquor, intoxicating drugs and opium, and to call for and check the accounts kept in the shop or depôt. Police Officers will also make inspections when it comes within the scope of their duty.

26. An inspection note book, with the pages numbered consecutively, for inspecting officers to enter their remarks in, shall be maintained, and be handed over to the Excise Inspector in charge of the Range or any officer authorized by him to receive it on a receipt being given therefor.

27. The amount for which the privilege has been purchased shall be payable in twelve equal monthly instalments into a Government Treasury on or before the 20th of each month beginning with July. The licensee of a Jatra shop shall pay the rent thereof in full before the Jatra begins.

NOTE.—In the Malnad and Semi-Malnad Taluks the Deputy Commissioners may permit Patels of villages who are not themselves licensees to receive payments not exceeding Rs. 50 from any individual at a time.

28. No remission or abatement of the rent shall be claimable on any account whatever.

29. Any sum due by a licensee may be recovered by attachment and sale of the property of the licensee or his surety, under any law for the time being in force for the recovery of arrears of land revenue or adjusted from the deposit, if any, made by him at the commencement of the lease. He shall be bound to replace any sums adjusted from his deposit within fifteen days of receipt of notice from the Amildar.

30. Power is further reserved to Revenue Officers to suspend licenses in case of failure of payment of khists or (in the case of toddy) tree-tax also on the due dates. In the case of arrack, toddy and drug shops this power will be exercised by Amildars and in other cases by the Deputy Commissioners.

31. In the event of the aforesaid arrack, toddy or drug licensee failing to pay his khist by the end of the month for which it is due, the Amildar with the sanction of the Deputy Commissioner by record in writing and after suspending the license shall resell on the 1st of the month following (close holidays excepted) the privilege of sale with effect from the date of issue of license to the new purchaser or the privilege may be otherwise disposed of at the Deputy Commissioner's discretion. All losses on account of suspension and resale or other disposal of the privilege shall be borne by the defaulting licensee, but he shall have no right to gain, if any, which accrues. The whole of the deposit, if any, made at the commencement of the lease will be liable to forfeiture. The officer who has power to suspend the license may however at his discretion, allow sales to continue pending re-sale or other disposal of the privilege.

32. Interest on all moneys due shall be payable at the rate of one pie per rupee per mensem or part thereof.

33. Infraction of any of the conditions of the license either by a licensee or by any person in his employment will entail on the licensee—

either (*a*) fine up to Rs. 50;

or (*b*) forfeiture of deposits, if any, and cancellation of license and resale or other disposal of the privilege at the risk of the licensee.

The licensee or his agent may also be prosecuted for the specific offence committed. The rent for the whole lease shall become due at once, when a lease is cancelled under this condition.

NOTE.—For continuing breaches of a license, continuing fines may be imposed.

34. Any license may be forfeited and the privilege be re-sold or otherwise disposed of at the risk of the licensee if the licensee be convicted before a Magistrate of any offence against the Excise Regulation, / Opium Act or of any offence under the Indian Penal Code, which in the Deputy Commissioner's opinion renders him unfit to hold it. *The purchaser of a privilege is liable to the penalties prescribed in this condition if he is convicted of any such offence as above contemplated after the confirmation of the sale of the privilege to him though before issue of a formal license.* Forfeiture of any license under this clause shall involve forfeiture of the balance of all deposits after payment to Government of all sums due under the lease.

35. Licensees are bound to report to the Deputy Commissioner all instances which come to their knowledge of persons employed by them in the manufacture, carriage or sale of liquor, opium and intoxicating drugs, committing breaches of the Excise Opium Laws or of engagements entered into by them and to comply with the Deputy Commissioner's orders respecting the continued employment of such persons. No persons who have been convicted under the Indian Penal Code shall be employed in the carriage or sale of liquor, opium and intoxicating drugs without the Deputy Commissioner's previous permission.

36. Pecuniary dealings by licensees of any kind whatever with officials of the Excise Department are absolutely prohibited.

37. With the sanction of the Excise Commissioner, any license shall be revocable by the Deputy Commissioner at his discretion on giving the licensee fifteen days' notice of such revocation, in which case a proportionate part of the fee paid will be refunded.

38. All licensees shall be bound by any additional general rules that may be prescribed under the Excise or Opium Laws and, if so required by the Deputy Commissioner or any officer authorized by him, to deliver up their licenses for amendment or for the issue of fresh ones.

39. No licensee shall have claim to any compensation or remission on account of any arrangements which may be made in regard to liquors or intoxicating drugs other than those to which his license relates.

40. No licensee of any one kind of liquor shop shall, during the term of such license, have any interest in the exclusive privilege of vending any other kind of liquors within five miles from it nor shall he permit any person having such interest to hold any share or interest in his exclusive privilege.

(2) For the supply of toddy to his shops, the licensee shall have the privilege of obtaining, subject to tree-tax rules, toddy-yielding trees in the groves assigned to his shops or groups of shops, and he shall be at liberty to manufacture toddy from the trees in private lands, under private arrangements between himself and the owners of such lands; provided where such trees are situated close to or within the area of any other shop not worked by him, the previous sanction of the District Excise Officer should be obtained before applying for a license to tap the same. He will be liable to pay a similar fine for every tree which he prepares for tapping if it dies in consequence of such preparation before he taps it.

(j) The licensee will not be entitled to compensation for any trees withdrawn or taken up for public purposes or for any trees standing on the banks or beds of irrigation works under the control of the Public Works Department which that department may require to cut down or strip of their leaves or branches.

The applicant will then make his application to British authorities in accordance with the Madras Government Tree Tapping Rules, and will obtain a transport permit from the Inspector concerned in the Mysore State for the transport of the toddy drawn from the frontier to the shop or depôt for which it is intended, after having complied with all requirements of the Madras Government Rules.

(6) No tree shall be tapped, nor shall toddy be drawn from any toddy-tree, nor shall any pot be attached to any toddy tree until the tree has been marked by the proper officer. But the removal of leaves for the purpose of making incisions and the preparation of the spathes or incisions for the drawing of toddy is permitted as soon as the application in the prescribed form has been delivered to the Treasury concerned.

EXCISE COMMISSIONER'S OFFICE,
Bangalore, 26th March 1909.

H. H. SPARKES,
Excise Commissioner in Mysore.

NOTIFICATION.

NOTICE OF SALE OF EXCISE AND OPIUM PRIVILEGES.

No. 9011, dated 7th April 1909.

Notice is hereby given that the exclusive privilege of selling liquor, intoxicating drugs and opium in the several shops appointed for the purpose and published in the Schedule during the twelve months beginning 1st July 1909 and ending 30th June 1910 will be put up to public auction by Deputy Commissioners or Revenue Assistant Commissioners or District Officers of the Excise Department or other officers specially authorised by the Deputy Commissioners for the purpose, on the dates and at the Taluk or Sub-Taluk Head-quarters mentioned in the statement annexed, subject to the conditions hereinafter set forth. If the sales are not completed on the dates fixed, they will be continued on the next following days, close holidays excepted.

Conditions of Auction Sale.

II. A deposit must be made by each bidder previous to bidding and will be received *by the selling officer on the day of sale.* A deposit of Rs. 50 will ordinarily be required from any person wishing to bid for any important shop or any large number of shops. This will be reduced to Rs. 20 in the case of bidders for not more than two or three shops of an aggregate monthly value of Rs. 50 or less and to Rs. 5 in the case of bidders for single small shops. In the case of shops whose average monthly rental is very small, the selling officer may fix such other resonable amount as he may deem fit.

III. The shops will be put up to auction in the order in which they are notified in the Schedule unless the selling officer sees reason to change that order. Upset prices shall be fixed at the discretion of the selling officer. The reserve price placed by Government on the shops will not be published but the rentals and the consumption of the previous three years will be notified for the information of bidders.

Note.—1. The privilege of vending toddy in any Coffee Estate may be sold to the Planter for any fixed amount not less than Rs. 12 per shop per annum.

Note.—2. Toddy shops in alienated villages whose claims to the Excise revenue from toddy have been recognized or have not yet been settled, shall invariably be sold separately, and the amounts connected therewith shall be shown in the accounts under a distinct head.

IV. Every shop should as a rule be sold independently. Grouping should be resorted to only under very exceptional circumstances limiting the number of shops so grouped strictly to the necessity of the occasion.

V. No person will be allowed to bid for another unless he holds a power-of-attorney from the latter.

VI. No shops will be knocked down in the name of two or more persons unless they represent a duly recognized company or firm by means of a power-of-attorney. The selling officer shall refuse to register as a purchaser any one in whose name the bidding has not proceeded.

VII. The officer conducting the sale may, at his discretion, refuse to accept the bid of any person on the ground that it is too low or that he has been convicted by a Criminal Court or has previously been guilty of such a breach of the conditions of a license or of a contract under the Excise Regulation or Opium Act, as to render him undesirable as a holder of a license or on the ground that he is insolvent or to prevent arrangements to the detriment of Government interests or for any other valid reason. He may also refuse any bid which he may consider to be purely speculative after recording his reasons for doing so.

VIII. The shops will be knocked down to the highest bidder, but the sale will be subject to formal confirmation by the Deputy Commissioner, who shall be at liberty to accept or reject any bid at his discretion. Such formal confirmation will be tantamount to an acceptance of the bid unless revised by the Government for special reasons and will be necessary whether the sale be held by the Deputy Commissioner himself or by any officer appointed by him.

IX. In cases of dispute at the time of auction, the selling officer's decision shall be final; and if for any reason the highest bid is rejected, the next highest shall be taken or the shop re-sold at his discretion.

X. Tenders after auction shall not generally be accepted. Shops remaining unsold at the first auction shall ordinarily be disposed of by re-auction later on. But the Deputy Commissioner has full discretion on this point.

XI. At the close of each day's sale, the deposits made by the unsuccessful bidders will be returned to them. As the auction proceeds, each person whose bid is accepted shall at once, if so required by the selling officer, or otherwise at the close of the day's sale, make a further deposit * of half a month's rent (in addition to the deposit made under condition II) for each shop unless the initial deposit equals or exceeds two months' rent. Should he fail to do so, the deposit made by him under condition II will be forfeited and the shops will be put up again immediately to auction by the selling officer on the above conditions or otherwise disposed of by the Deputy Commissioner and the defaulter will be debarred from bidding again for the same or for any other shop.

XII. Persons to whom shops have been knocked down and who have made deposits as provided in conditions II and XI shall leave their address with the selling officer, in order that the confirmation of the sale may be communicated to that address by a notice and they shall also deposit* such further sum as with the former deposits will make up two months' rent. Such deposit should be paid into the Taluk Treasury within seven days from the date of communication of the notice of the Deputy Commissioner's acceptance of the bid by its presentation to themselves or to any adult male member of their family at the place of the said address or by its despatch duly registered by post. They shall then *without unnecessary delay* execute the necessary engagements and take out licenses on the conditions hereinafter set forth. In the case of the purchaser's death after signing the agreement, it will be binding on his heirs and assigns. Should the initial deposit exceed the sum required to be deposited under this condition, the excess will be refunded unless the purchaser is required to make a deposit (twice that sum) under condition XIII *infra*.

XIII. If, on enquiry subsequent to sale, the purchaser shall be found to be of doubtful solvency or a foreigner having no sufficient property in the Mysore State, he may be required either to deposit twice the sum prescribed in condition XII *supra* or to get a surety or sureties, residents of and possessing sufficient property in the Mysore State, to execute a security bond for the due payment of all moneys that may become due by him under the terms of the contract. The bond shall be stamped (Article 32 of Schedule I of the Mysore Stamp Regulation, II of 1900) and also registered at the expense of the purchaser if the amount secured exceeds Rs. 1,000.

XIV. As soon as the sales are over, the sale conducting officer shall forward a list of the successful bidders to the Amildar of the taluk concerned, who shall enquire into the solvency of, and record the amount of deposit or surety required from each purchaser. He should submit the list so prepared to the selling officer within five days of its receipt and the latter should submit the same with his remarks to the Deputy Commissioner for confirmation without delay.

XV. On the failure of any person to make deposit under condition XII or to comply with the requisition under condition XIII *supra* or to execute engagements and take out licenses as aforesaid, the deposits already made shall be forfeited and the shop be re-sold or otherwise disposed of at the discretion of the Deputy Commissioner.

XVI. Re-sales effected under condition XV will be at the risk of the defaulting bidder, who will forfeit all gain, and, in the event of loss, will be required to make good the deficiency between the total amount payable for the whole period under the terms of the original sale and the total amount payable by the successful bidder at the re-sale. In the latter case, the forfeited deposits will be deducted from the loss arising from the re-sale, and the remainder, if any, will be recoverable from the defaulter in the same manner as if it were an arrear of land revenue. Should, however, the forfeited deposits be greater than the loss by re-sale, the whole of such deposits will be credited to Government. The defaulting bidder will be similarly liable if the privilege is disposed of otherwise than by re-sale and such disposal results in loss to Government as compared with the original sale.

XVII. The purchaser of the privilege is liable to the penalties prescribed for breaches of the conditions set forth below though a formal license may not have been issued to him.

* Deposits may be in cash or other approved security.

XVIII. The deposit referred to in condition XII or condition XIII, as the case may be, will be taken as security for the due performance of the conditions of the license. If the Amildar and the licensee so agree, it may be credited towards the last instalment the khists payable by the latter.

XIX. The licenses issued under the above clauses will contain the following general conditions common to all Excise and Opium licenses and the special conditions prescribed below for each particular kind.

General conditions applicable to all Excise and Opium Licenses.

The manufacturers of arrack and other country spirits as well as the licensees of Arrack Bonded Depots are prohibited from holding any interest in the retail vend of arrack or in the vend of other intoxicants and from employing any person who has such interest. 3. Sales must be conducted in a suitable building of which the whole or part must be entirely set aside for use as a depot or shop. 7. The sale or transport of liquor, intoxicating drugs or opium by persons below the age of sixteen or by persons suffering from leprosy or any contageous disease and the employment of such persons in the shops or depots for the sale of the same are prohibited. The Deputy Commissioner may, where necessary, call for the names of all persons employed or proposed to be employed in depots or shops and forbid the sale of liquor, intoxicating drugs or opium by any person of whom he may disapprove.

8. No depot or shop shall be opened before sunrise or kept open after 9 P.M. except under special authority. *

11. No person shall be harboured in any depot or shop during the night.

12. Depots and shops situated on or adjacent to the line of march must be closed, if the Deputy Commissioner so orders, while a Regiment or Detachment of European or Native soldiers is passing or is encamped in the vicinity. Deputy Commissioners or Revenue Assistant Commissioners shall have power also to close any shops temporarily in times of religious excitement or disturbance. Every depot and shop-keeper shall on his own motion close his depot or shop when there is riot or disturbance in the neighbourhood.

13. The Deputy Commissioners may order the transfer of depots and shops from one locality to another provided the distance is not more than two hundred yards or the closure of the same. But no new shops shall be opened except with the previous sanction of the Excise Commissioner.

14. The right is reserved to the Deputy Commissioner to grant "Occasional licenses" for the sale of liquor, intoxicating drugs and opium, on the occurrence of fairs, festivals, etc., in places in the vicinity of which there are no regularly licensed shops. Such licenses shall ordinarily be granted to the shop-keepers who usually supply the locality or to the representatives of the renter. 17. No holder of any Excise or Opium License will be allowed, without the written permission of the Excise Commissioner to possess or continue to possess any interest direct or indirect in any Excise or Opium License outside the Territories of Mysore, or in the Civil and Military Station of Bangalore.

18. Depots and shops must be kept open unless their temporary or permanent closure is authorised under condition 12 or 13 *supra* and such supply of liquor, intoxicating drugs or opium as the Deputy Commissioner may consider sufficient to meet local requirements must be maintained therein. Shops not opened by 1st July shall be liable to be re-sold at the risk of the licensees.

19. No liquor, intoxicating drug or opium shall be sold in shops except for cash. The licensee shall be bound to give intimation of the offer of anything other than cash to the nearest Magistrate or Police Officer. VI. No shops will be knocked down in the name of two or more persons unless they represent a duly recognized Company or firm by means of a Power-of-Attorney. The selling officer shall refuse to register as a purchaser any one in whose name the bidding has not proceeded.

VII. The officer conducting the sale may, at his discretion, refuse to accept the bid of any person on the ground that it is too low or that he has been convicted by a Criminal Court or has previously been guilty of such a breach of the conditions of a license or of a contract under the Excise Regulation or Opium Act, as to render him undesirable as a holder of a license or on the ground that he is insolvent or to prevent arrangements to the detriment of Government interests or for any other valid reason. He may also refuse any bid which he may consider to be purely speculative after recording his reasons for doing so.

VIII. The shops will be knocked down to the highest bidder, but the sale will be subject to formal confirmation by the Deputy Commissioner, who shall be at liberty to accept or reject any bid at his discretion. Such formal confirmation will be tantamount to an acceptance of the bid unless revised by the Government for special reasons and will be necessary whether the sale be held by the Deputy Commissioner himself or by any officer appointed by him.

IX. In case of dispute the selling officer's decision shall be final; and if for any reason the highest bid is rejected the next highest shall be taken or the shop re-sold at his discretion.

X. Tenders after auction shall not generally be accepted. Shops remaining unsold at the first auction shall ordinarily be disposed of by re-auction later on. But the Deputy Commissioner has full discretion on this point.

XI. At the close of each day's sale, the deposits made by the unsuccessful bidders will be returned to them. As the auction proceeds, each person whose bid is accepted shall at once, if so required by the selling officer, or otherwise at the close of the day's sale, make a further deposit of two months' rent (in addition to the deposit made under condition II) for each shop unless the initial deposit equals or exceeds six months' rent. Should he fail to do so, the deposit made by him under condition II will be forfeited and the shops will be put up again immediately to auction by the selling officer on the above conditions or otherwise disposed of by the Deputy Commissioner and the defaulter will be debarred from bidding again for the same or for any other shop.

XII. Persons to whom shops have been knocked down and who have made deposits as provided in conditions II and XI shall leave their address with the selling officer, in order that the confirmation of the sale may be communicated to that address by a notice and they shall also deposit* such further sum as with the former deposits will make up six months' rent. Such deposit should be paid into the Taluk Treasury within seven days from the date

* Deposits may be in cash or other approved security.

of communication of the notice of the Deputy Commissioner's acceptance of the bid by its presentation to themselves or to any adult male member of their family at the place of the said address, or by its despatch duly registered by post. They shall then *without unnecessary delay* execute the necessary engagements and take out licenses on the conditions hereinafter set forth. In the case of the purchaser's death after signing the agreement, it will be binding on his heirs and assigns. Should the initial deposit exceed the sum required to be deposited under this condition, the excess will be refunded unless the purchaser is required to make a deposit (twice that sum) under condition XIII *infra*.

XIII. If on enquiry subsequent to sale the purchaser shall be found to be of doubtful solvency or a foreigner having no sufficient property in the Mysore State, he may be required either to deposit twice the sum prescribed in condition XII *supra* or to get a surety or sureties, residents of and possessing sufficient property in the Mysore State to execute a security bond for the due payment of all moneys that may become due by him under the terms of the contract. The bond shall be stamped (Article 32 of Schedule I of the Mysore Stamp Regulation, II of 1900) and also registered at the expense of the purchaser if the amount secured exceeds Rs. 1,000.

XIV. As soon as the sales are over, the sale conducting officer shall forward a list of the successful bidders to the Amildar of the taluk concerned who shall enquire into the solvency of and record the amount of deposit or surety required from each purchaser. He should submit the list so prepared to the selling officer within five days of its receipt and the latter should submit the same with his remarks to the Deputy Commissioner for confirmation without delay.

XV. On the failure of any person to make deposit under condition XII or to comply with the requisition under condition XIII *supra* or to execute engagements and take out licenses as aforesaid, the deposits already made shall be forfeited and the shop be re-sold or otherwise disposed of at the discretion of the Deputy Commissioner.

XVI. Re-sales effected under condition XV will be at the risk of the defaulting bidder, who will forfeit all gain, and, in the event of loss, will be required to make good the deficiency between the total amount payable for the whole period under the terms of the original sale and the total amount payable by the successful bidder at the re-sale. In the latter case the forfeited deposits will be deducted from the loss arising from the re-sale, and the remainder, if any, will be recoverable from the defaulter in the same manner as if it were an arrear of land revenue. Should, however, the forfeited deposits be greater than the loss by re-sale, the whole of such deposits will be credited to Government. The defaulting bidder will be similarly liable if the privilege is disposed of otherwise than by re-sale and such disposal results in loss to Government as compared with the original sale.

XVII. The purchaser of the privilege is liable to the penalties prescribed for breaches of the conditions set forth below, though a formal license may not have been issued to him.

XVIII. The deposit referred to in condition XII or condition XIII, as the case may be, will be taken as security for the due performance of the conditions of the license. If the Deputy Commissioner and the licensee so agreed, it may be credited towards the last instalment of the khists payable by the latter.

XIX. The licenses issued under the above clauses will contain the following general conditions; and the special conditions prescribed below:—

1. Draft rules for the regulation of water-supply in the City.

Resolution.—The rules as now modified be adopted.

2. The proposal of the Inspector-General of Education to make over charge of the Anglo-Vernacular Classes, I, II and III from the Government Anglo-Vernacular School in the Fort and attach them to the Municipal Vernacular School, from 1st January 1909.

Resolved that the Council are agreeable to the taking over charge of the Anglo-Vernacular Classes I, II and III from the Government Anglo-Vernacular School as proposed by the Inspector-General of Education; but they are strongly of opinion that in the interests of the school-going children, the new classes and the Kannada School classes should be provided with accommodation in the new building in the Fort built specially for the Municipal School, as it is impossible to remove the classes referred to to the Octroi Koti building which was more than once condemned, the accommodation in the present old Palace building being quite insufficient and otherwise undesirable.

The Council is also of opinion that it is not advisable to separate the Anglo-Hindustani Classes from the Anglo-Vernacular School and that Government be requested to make arrangements to provide accommodation for the High School classes elsewhere.

As regards the location of the Lower Secondary Classes, the present arrangements may continue, as a temporary measure. And if the Government are pleased to hand over these classes also to the Municipality, the Council are prepared to take over the management of these classes, as a temporary measure, in order to avoid dual control over them.

B. J. KUMARASWAMI NAIK,
President.

BANGALORE DISTRICT.

PROCLAMATION.

Under Section 8 of the Mysore Municipal Regulation, VII of 1906, it is hereby announced that it is proposed to constitute the town of Closepet, the boundaries of which are as described below, into a permanent Municipality under the said Regulation.

2. All persons who entertain any objection to the above proposal are hereby required to submit the same, with reasons therefor, in writing, to the undersigned within two months from the date of this proclamation.

I. The boundary line of the town of Closepet commences at the north-western corner of Survey No. 168, touching the Mysore-Bangalore road and runs along the western boundary line of Survey Nos. 168, 169, 170, 171, 172 and 173, where it crosses the "voni" leading to Amanikere of Kottipur village, runs along the western boundary of Survey Nos. 186 and 32. Here it turns towards the east and passes along the western and a portion of southern boundary of Survey No. 32 till it crosses the "voni" leading to Kottipur village, from thence it continues to run along the western boundary of Survey No. 31 till it crosses the Mysore-Bangalore Railway line and then it skirts round the Holagere, running along the southern boundary of Survey No. 30, along the western boundary of Survey No. 203, crosses the foot-path to Hunasanhalli, turns to the west and runs along the western boundary of Survey Nos. 103 and 29 till it reaches the northern boundary of Survey No. 73 and crossing again the above said Railway line it meets Survey No. 72 at its north-eastern corner. The line then turning southwards continues to run along the eastern boundary of Survey Nos. 72, 71, 27 and 63 bordering all along the Mysore-Bangalore Railway line, and joins the north-eastern corner of Survey No. 62.

II. From this point the line continues to pass along the northern boundary of Survey Nos. 62 and 52, crosses the "voni" to the river Arkavati, skirts on the southern, eastern and northern boundaries of Survey No. 51, crosses another "voni" to the river Arkavati. The line then skirts on the southern, eastern and northern boundaries of Survey No. 26, passes along the eastern boundary of Survey Nos. 25 and 23 crossing another "voni" between these two numbers. It runs along the northern boundary also of Survey No. 23, till it crosses the "voni" to the river. Thence it passes along the southern boundary of Survey No. 22, crosses the "voni" to the river, passes along the southern and eastern boundary of Survey No. 20 and along the eastern and northern boundary of Survey No. 19. It skirts on the southern, eastern and northern boundary of Survey No. 17 and continues to run along the eastern boundary of Survey Nos. 16, 15, 14, 11, 10, 9 and 8 after crossing two "vonis" to the river Arakavati, between Survey Nos. 14, 11 and 10. The line then skirting on three sides of Survey No. 33, passes along the north-eastern boundary of Survey No. 116 along the eastern and northern boundary of Survey No. 7 and along the southern, eastern and northern boundaries of Survey No. 6 where it meets the Mysore-Bangalore road near the bridge across the river Arkavati.

III. The boundary line then crossing the Mysore-Bangalore road, passes along the western boundary of Survey Nos. 117 and 118 and along the eastern bed of the Arkavati till it meets the south-western boundary of Survey No. 119. From this point, it runs along the western boundary of Survey Nos. 119 and 5. The line then turning to the east passes along the southern and eastern boundary of Survey No. 120 and along the eastern boundary of Survey Nos. 123 and 124 after crossing the "voni" to the river, between the above said two numbers. The line then turns to the east and passes along the southern and eastern boundary of Survey No. 4, crosses the "voni" to the Arkavati, passes along the southern and eastern boundary of Survey No. 133 and along the eastern boundary of Survey No. 136, crossing again the "voni" to the river, passes along the southern boundary of Survey No. 139 and runs along the western and northern boundary of Survey No. 1 and continues to run along the southern boundary of Survey No. 140 and running to some distance along the foot-path to Vaderhalli, it crosses the said foot-path and passes along the northern boundary of Survey No. 141; the line then crosses the Mysore-Bangalore road and meets the north-western corner of Survey No. 168.

From this it will be seen that the town of Closepet will include the undermentioned lands.

EXCISE DEPARTMENT.

NOTIFICATION.

NOTICE OF SALE OF EXCISE AND OPIUM PRIVILEGES.

No. 9011, dated 7th April 1909.

Notice is hereby given that the exclusive privilege of selling liquor, intoxicating drugs and opium in the several shops appointed for the purpose and published in the Schedule during the twelve months beginning 1st July 1909 and ending 30th June 1910 will be put up to public auction by Deputy Commissioners or Revenue Assistant Commissioners or District Officers of the Excise Department or other officers specially authorised by the Deputy Commissioners for the purpose, on the dates and at the Taluk or Sub-Taluk Head-quarters mentioned in the statement annexed, subject to the conditions hereinafter set forth. If the sales are not completed on the dates fixed, they will be continued on the next following days, close holidays excepted.

Conditions of Auction Sale.

II. A deposit must be made by each bidder previous to bidding and will be received *by the selling officer on the day of sale.* A deposit of Rs. 50 will ordinarily be required from any person wishing to bid for any important shop or any large number of shops. This will be reduced to Rs. 20 in the case of bidders for not more than two or three shops of an aggregate monthly value of Rs. 50 or less and to Rs. 5 in the case of bidders for single small shops. In the case of shops whose average monthly rental is very small, the selling officer may fix such other resonable amount as he may deem fit.

III. The shops will be put up to auction in the order in which they are notified in the Schedule unless the selling officer sees reason to change that order. Upset prices shall be fixed at the discretion of the selling officer. The reserve price placed by Government on the shops will not be published but the rentals and the consumption of the previous three years will be notified for the information of bidders.

Note.—1. The privilege of vending toddy in any Coffee Estate may be sold to the Planter for any fixed amount not less than Rs. 12 per shop per annum.

Note.—2. Toddy shops in alienated villages whose claims to the Excise revenue from toddy have been recognized or have not yet been settled, shall invariably be sold separately, and the amounts connected therewith shall be shown in the accounts under a distinct head.

IV. Every shop should as a rule be sold independently. Grouping should be resorted to only under very exceptional circumstances limiting the number of shops so grouped strictly to the necessity of the occasion.

V. No person will be allowed to bid for another unless he holds a power-of-attorney from the latter.

VI. No shops will be knocked down in the name of two or more persons unless they represent a duly recognized company or firm by means of a power-of-attorney. The selling officer shall refuse to register as a purchaser any one in whose name the bidding has not proceeded.

VII. The officer conducting the sale may, at his discretion, refuse to accept the bid of any person on the ground that it is too low or that he has been convicted by a Criminal Court or has previously been guilty of such a breach of the conditions of a license or of a contract under the Excise Regulation or Opium Act, as to render him undesirable as a holder of a license or on the ground that he is insolvent or to prevent arrangements to the detriment of Government interests or for any other valid reason. He may also refuse any bid which he may consider to be purely speculative after recording his reasons for doing so.

VIII. The shops will be knocked down to the highest bidder, but the sale will be subject to formal confirmation by the Deputy Commissioner, who shall be at liberty to accept or reject any bid at his discretion. Such formal confirmation will be tantamount to an acceptance of the bid unless revised by the Government for special reasons and will be necessary whether the sale be held by the Deputy Commissioner himself or by any officer appointed by him.

IX. In cases of dispute at the time of auction, the selling officer's decision shall be final; and if for any reason the highest bid is rejected, the next highest shall be taken or the shop re-sold at his discretion.

X. Tenders after auction shall not generally be accepted. Shops remaining unsold at the first auction shall ordinarily be disposed of by re-auction later on. But the Deputy Commissioner has full discretion on this point.

XI. At the close of each day's sale, the deposits made by the unsuccessful bidders will be returned to them. As the auction proceeds, each person whose bid is accepted shall at once, if so required by the selling officer, or otherwise at the close of the day's sale, make a further deposit * of half a month's rent (in addition to the deposit made under condition II) for each shop unless the initial deposit equals or exceeds two months' rent. Should he fail to do so, the deposit made by him under condition II will be forfeited and the shops will be put up again immediately to auction by the selling officer on the above conditions or otherwise disposed of by the Deputy Commissioner and the defaulter will be debarred from bidding again for the same or for any other shop.

XII. Persons to whom shops have been knocked down and who have made deposits as provided in conditions II and XI shall leave their address with the selling officer, in order that the confirmation of the sale may be communicated to that address by a notice and they shall also deposit* such further sum as with the former deposits will make up two months' rent. Such deposit should be paid into the Taluk Treasury within seven days from the date of communication of the notice of the Deputy Commissioner's acceptance of the bid by its presentation to themselves or to any adult male member of their family at the place of the said address or by its despatch duly registered by post. They shall then *without unnecessary delay* execute the necessary engagements and take out licenses on the conditions hereinafter set forth. In the case of the purchaser's death after signing the agreement, it will be binding on his heirs and assigns. Should the initial deposit exceed the sum required to be deposited under this condition, the excess will be refunded unless the purchaser is required to make a deposit (twice that sum) under condition XIII *infra*.

XIII. If, on enquiry subsequent to sale, the purchaser shall be found to be of doubtful solvency or a foreigner having no sufficient property in the Mysore State, he may be required either to deposit twice the sum prescribed in condition XII *supra* or to get a surety or sureties, residents of and possessing sufficient property in the Mysore State, to execute a security bond for the due payment of all moneys that may become due by him under the terms of the contract. The bond shall be stamped (Article 32 of Schedule I of the Mysore Stamp Regulation, II of 1900) and also registered at the expense of the purchaser if the amount secured exceeds Rs. 1,000.

XIV. As soon as the sales are over, the sale conducting officer shall forward a list of the successful bidders to the Amildar of the taluk concerned, who shall enquire into the solvency of, and record the amount of deposit or surety required from each purchaser. He should submit the list so prepared to the selling officer within five days of its receipt and the latter should submit the same with his remarks to the Deputy Commissioner for confirmation without delay.

XV. On the failure of any person to make deposit under condition XII or to comply with the requisition under condition XIII *supra* or to execute engagements and take out licenses as aforesaid, the deposits already made shall be forfeited and the shop be re-sold or otherwise disposed of at the discretion of the Deputy Commissioner.

XVI. Re-sales effected under condition XV will be at the risk of the defaulting bidder, who will forfeit all gain, and, in the event of loss, will be required to make good the deficiency between the total amount payable for the whole period under the terms of the original sale and the total amount payable by the successful bidder at the re-sale. In the latter case, the forfeited deposits will be deducted from the loss arising from the re-sale, and the remainder, if any, will be recoverable from the defaulter in the same manner as if it were an arrear of land revenue. Should, however, the forfeited deposits be greater than the loss by re-sale, the whole of such deposits will be credited to Government. The defaulting bidder will be similarly liable if the privilege is disposed of otherwise than by re-sale and such disposal results in loss to Government as compared with the original sale.

XVII. The purchaser of the privilege is liable to the penalties prescribed for breaches of the conditions set forth below though a formal license may not have been issued to him.

* Deposits may be in cash or other approved security.

XVIII. The deposit referred to in condition XII or condition XIII, as the case may be, will be taken as security for the due performance of the conditions of the license. If the Amildar and the licensee so agree, it may be credited towards the last instalment the khists payable by the latter.

XIX. The licenses issued under the above clauses will contain the following general conditions common to all Excise and Opium licenses and the special conditions prescribed below for each particular kind.

General conditions applicable to all Excise and Opium Licenses.

The manufacturers of arrack and other country spirits as well as the licensees of Arrack Bonded Depots are prohibited from holding any interest in the retail vend of arrack or in the vend of other intoxicants and from employing any person who has such interest. This prohibition does not extend to the wholesale supply by the manufacturers of special liquors or of rectified spirit to licensed vendors.

2. The limits within which sales under any Excise or Opium licenses may be carried on will be specified by the Deputy Commissioner at the time of the grant of the license. The sale or possession (except subject to the rules applicable to unlicensed persons) of liquor, intoxicating drugs or opium outside those limits is prohibited except with the special permission of the Deputy Commissioner.

3. Sales must be conducted in a suitable building of which the whole or part must be entirely set aside for use as a depot or shop. If there are means of communications between the Depot or Shop and an adjoining dwelling house, they must be kept locked at night. In the case of arrack shops in Municipalities or towns having a population of 5,000 and over, the shop premises shall have no doors except into the main street; no windows or other opening shall be allowed to the rear or at the ends of the building; there shall be no possible means of ingress or egress in any other direction; the bar at which the sale is held shall be opposite the entrance door and so situated that all persons inside can be seen by any one passing to and fro in the street, and no second room shall be used for sale, or be kept open for customers. The interior of the shop shall be sufficiently lighted by day and the shop shall not be used as a place of residence save by the vendor and his family or caretakers.

4. Except in the case when two or more foreign liquor licenses are held by one person, sales under each license issued must be in different premises (Chemists and Druggists and Medical Practitioners excepted). The possession upon any licensed premises of any liquor, intoxicating drug or opium except that to which the license relates, or of any essence or substance used or capable of being used for coloring or flavoring liquor is prohibited. But intoxicating drugs made from opium, other than morphia or preparations for smoking may be prepared and sold in shops licensed for the sale of opium.

5. A signboard must be affixed to the front of each depot or shop showing the nature and the number of the license under which the sales are conducted there, the name of the licensee and (except in the case of foreign liquor or special liquors) the current rate of sale. These particulars must be legibly painted in the local vernacular. The license must be hung up in a conspicuous place within.

6. All liquor, inoxicating drugs and opium sold or kept for sale shall be of good quality and unadulterated. Nothing shall be added to them either to increase their intoxicating power or for any other purpose except the manufacture of intoxicating durgs in accordance with the terms of a license. All officers authorized to inspect depots and shops (*vide* condition 25 *infra*) are authorised to detain any liquor, intoxicating drug or opium found unfit for consumption or use, or which they may believe to have been tampered with, and the Excise Commissioner, Deputy Commissioners and District Excise Officers are empowered to destory such as are found unfit for consumption or use.

7. The sale or transport of liquor, intoxicating drugs or opium by persons below the age of sixteen or by persons suffering from leprosy or any contageous disease and the employment of such persons in the shops or depots for the sale of the same are prohibited. The Deputy Commissioner may, where necessary, call for the names of all persons employed or proposed to be employed in depots or shops and forbid the sale of liquor, intoxicating drugs or opium by any person of whom he may disapprove.

8. No depot or shop shall be opened before sunrise or kept open after 9 P.M. except under special authority. *

9. No drunkenness, disorder or gaming shall be permitted in depots or shops. Entertainments of any kind in depots or shops are also strictly forbidden.

10. No robbers or thieves or disorderly or riotous persons or prostitutes or soldiers or others known or believed to be deserters shall be harboured in depots and shops. Intimation of their resort thereto shall be given to the nearest Magistrate or Police Officer.

* (1) 9-30 P.M. in the Bangalore City.
(2) 8 P.M. in the case of Arrack-Bonded Depots.

11. No person shall be harboured in any depot or shop during the night.

12. Depots and shops situated on or adjacent to the line of march must be closed, if the Deputy Commissioner so orders, while a Regiment or Detachment of European or Native soldiers is passing or is encamped in the vicinity. Deputy Commissioners or Revenue Assistant Commissioners shall have power also to close any shops temporarily in times of religious excitement or disturbance. Every depot and shop-keeper shall on his own motion close his depot or shop when there is riot or disturbance in the neighbourhood.

13. The Deputy Commissioners may order the transfer of depots and shops from one locality to another provided the distance is not more than two hundred yards or the closure of the same. But no new shops shall be opened except with the previous sanction of the Excise Commissioner.

14. The right is reserved to the Deputy Commissioner to grant "Occasional licenses" for the sale of liquor, intoxicating drugs and opium, on the occurrence of fairs, festivals, etc., in places in the vicinity of which there are no regularly licensed shops. Such licenses shall ordinarily be granted to the shop-keepers who usually supply the locality or to the representatives of the renter. Their period shall not exceed fifteen days and the fee to be paid therefor shall be fixed at the Deputy Commissioner's discretion unless he decides to sell the same by public auction.

15. No liquor, intoxicating drug or opium shall he sold or given—

(*a*) Except at shops specially approved by the General Officer Commanding the Division (or Independent Brigade) or the Officer commanding the Cantonment or Camp, and then only in respect to such liquors as shall be approved by the same authority in consultation with the local Excise authorities and specified in the license—

16. No privilege of supply or vend shall be sold, transferred or sub-rented without the Excise Commissioner's previous permission. Nor, if the Deputy Commissioner so orders, shall any agent be appointed for the management of any such privilege without his previous approval.

17. No holder of any Excise or Opium License will be allowed, without the written permission of the Excise Commissioner to possess or continue to possess any interest direct or indirect in any Excise or Opium License outside the Territories of Mysore, or in the Civil and Military Station of Bangalore.

18. Depots and shops must be kept open unless their temporary or permanent closure is authorised under condition 12 or 13 *supra* and such supply of liquor, intoxicating drugs or opium as the Deputy Commissioner may consider sufficient to meet local requirements must be maintained therein. Shops not opened by 1st July shall be liable to be re-sold at the risk of the licensees.

19. No liquor, intoxicating drug or opium shall be sold in shops except for cash. The licensee shall be bound to give intimation of the offer of anything other than cash to the nearest Magistrate or Police Officer. This condition, is not, however, meant to restrict credit sales in the ordinary course of business by shop-keepers or firms of standing and respectability dealing in foreign and special liquors for consumption off the premises.

20. No liquor, introxicating drug or opium shall be sold below or above such minimum or maximum or fixed prices as may be prescribed for the sale of the same in accordance with the law for the time being in force. *

22. True accounts of transactions shall be maintained from day to day in ink in the prescribed form. The account and permit books may be obtained from the local Excise Officers on production of receipts for the payment of the cost price into a Government Treasury. Permits for liquor, intoxicating drugs or opium received and the counterfoils of permits issued must be carefully filed. The signing of blank permits for subsequent issue is prohibited. The accounts and counterfoils of permits shall be preserved for one year after the period covered by the license and shall be produced when called for by any Excise Officer not below the rank of an Assistant Inspector.

23. Such returns and information as may be required from time to time by any officer not below the rank of an Excise Assistant Inspector shall be furnished by holders of licenses without delay.

24. Only such weights and measures as may from time to time be prescribed by the Excise Commissioner shall be possessed or used on any licensed premises. The possession or use of weights or measures that are incorrect on any licensed premises will render the licensee liable to punishment.

25. Any officer of the Excise Department of rank not lower than Sub-Inspector is authorised to inspect licensed shops and depots. These officers are empowered to enter and examine the premises, to test weights and measures in use and the liquor, intoxicating drugs and opium, and to call for and check the accounts kept in the shop or depot. Police Officers will also make inspections when it comes within the scope of their duty.

26. An inspection note book, with the pages numbered consecutively, for inspecting officers to enter their remarks in shall be maintained, and be handed over to the Excise Inspector in charge of the Range or any officer authorised by him to receive it on a receipt being given therefor.

27. The amount for which the privilege has been purchased shall be payable in twelve equal monthly instalments into a Government Treasury on or before the 20th of each month beginning with July. The licensee of a jatra shop shall pay the rent thereof in full before the jatra begins.

NOTE.—In the malnad and semi- malnad taluks, the Deputy Commissioners may permit patels of villages who are not themselves licensees to receive payments not exceedings Rs. 50 from any individual at a time.

28. No remission or abatement of the rent shall be claimable on any account whatever.

29. Any sum due by a licensee may be recovered by attachment and sale of the property of the licensee or his surety, under any law for the time being in force for the recovery of arrears of land revenue or adjusted from the deposit, if any, made by him at the commencement of the lease. He shall be bound to replace any sums adjusted from his deposit within fifteen days of receipt of notice from the Amildar.

30. Power is further reserved to Revenue Officers to suspend licenses in case of failure of payment of khists or (in the case of toddy) tree-tax also on the due dates. In the case of arrack, toddy and drug shops this power will be exercised by Amildars and in other cases by the Deputy Commissioners.

31. In the event of the aforesaid arrack, toddy or drug licensee failing to pay his khist by the end of the month for which it is due, the Amildar with the sanction of the Deputy Commissioner by record in writing and after suspending the license shall re-sell on the 1st of the month following (close holidays excepted) the privilege of sale with effect from the date of issue of license to the new purchaser or the privilege may be otherwise disposed of at the Deputy Commissioner's discretion. All losses on account of suspension and re-sale or other disposal of the privilege shall be borne by the defaulting licensee, but he shall have no right to gain, if any, which accrues. The whole of the deposit, if any, made at the commencement of the lease will be liable to forfeiture. * 1. Arrack.—One reputed quart.
2. Toddy.—Two seers.
3. Ganja.—Four tolas.
4. Opium.—Three tolas.
5. Foreign Liquors.—Two gallons.

The licensee or, his agent may also be prosecuted for the specific offence committed. The rent for the whole lease shall become due at once, when a lease is cancelled under this condition.

NOTE.—For continuing breaches of a license, continuing fines may be imposed.

34. Any license may be forfeited and the privilege be re-sold or otherwise disposed of at the risk of the licensee if the licensee be convicted before a Magistrate, of any offence against the *Excise Regulation or Opium Act* or of any offence under the Indian Penal Code, which in the Deputy Commissioner's opinion renders him unfit to hold it. *The purchaser of a privilege is liable to the penalties prescribed in this condition if he is convicted of any such offence as above contemplated after the confirmation of the sale of the privilege to him though before issue of a formal license.* Forfeiture of any license under this clause shall involve forfeiture of the balance of all deposits after payment to Government of all sums due under the lease.

35. Licensees are bound to report to the Deputy Commissioner all instances which come to their knowledge of persons employed by them in the manufacture, carriage or sale of liquor, opium and intoxicating drugs, committing breaches of the Excise or Opium laws or of engagements entered into by them and to comply with the Deputy Commissioner's orders respecting the continued employment of such persons. 38. All licensees shall be bound by any additional general rules that may be prescribed under the Excise or Opium laws and, if so required by the Deputy Commissioner or any officer authorized by him, to deliver up their licenses for amendment or for the issue of fresh ones.

39. No licensee shall have claim to any compensation or remission on account of any arrangements which may be made in regard to liquors or intoxicating drugs other than those to which his license relates.

40. No licensee of any one kind of liquor shop shall, during the term of such license, have any interest in the exclusive privilege of vending any other kind of liquors within five miles from it nor shall he permit any person having such interest to hold any share or interest in his exclusive privilege.

XX. Conditions applicable to Arrack Licenses.

1. The privilege conferred by the license extends only to the sale of arrack ordinarily of the strength of 20° U. P. and with the special permission of the Deputy Commissioner or other officer authorized by him to the sale of arrack of 30° U. P. In places where there are no shops for the vend of foreign liquors or special liquors manufactured in the Government Central Distillery at Bangalore or where the foreign liquor shop keepers do not undertake to sell the special or double distilled liquors of such strength as may be fixed by the Excise Commissioner, the holder of the arrack shop license of approved character may, with the sanction of the Excise Commissioner be permitted to sell the same in duly corked sealed bottles not to be drunk on the premises, at such prices as may be fixed by the Excise Commissioner, and subject to conditions otherwise applicable to the sale of arrack. Similarly in places where separate shops are not licensed for the sale of sugar-cane jaggory arrack or special liquors, the arrack shop-keeper may be permitted to sell jaggory arrack in reputed pint or quart bottles.

2. Spirits shall be purchased only from the Bonded Depots established by Government at the following rates :—

(1) Palmyra jaggory and molasses arrack at Re. 0-10-11 per gallon of 20° U. P.

(2) Sugar-cane jaggory arrack in duly corked sealed bottles at Rs. 1-6-5 per gallon of 20° U. P. or at such other price as may be fixed from time to time.

(3) Special liquors referred to above, at such prices as may be fixed by the manufacturers.

(3). The quantities purchased at one time shall not fall below one gallon of arrack or three bottles or six pints of other kinds of liquors.

(4) The above prices to be charged for palmyra jaggory and molasses arrack, sugar-cane jaggory arrack and special liquors, are in addition to the Excise duty which shall be prepaid at the prescribed rate of Rs. 4-12-0 per gallon of 20° U. P., and proportionately at higher or lower strengths before the removal of the liquor from the Bonded Depot.

(5) The licensee shall pay the above duty and price into a Taluk Treasury or to a special shroff, if any, appointed on this behalf at the cost of Government, and located at the Taluk Cutcherry to receive such duty and price *daily* including Sundays and holidays or to such other officer as may be appointed by the Deputy Commissioner, and shall obtain a receipt in the prescribed printed form. Excise Commissioner.

Notification.

No. 9012, dated 7th April 1909.

NOTICE OF SALE OF DATE TODDY SHOPS FOR A PERIOD OF THREE YEARS FROM 1909 TO 1912.

Notice is hereby given that the exclusive privilege of selling toddy in the several shops appointed for the purpose and published in the Schedule during the three years beginning 1st July 1909 and ending 30th June 1912, will be put up to public auction by Deputy Commissioners or Revenue Assistant Commissioners or District Officers of the Excise Department or other officers specially authorized by the Deputy Commissioners for the purpose, on the dates and at the Taluk Head-quarters mentioned in the statement annexed, subject to the conditions hereinafter set forth. If the sales are not completed on the dates fixed, they will be continued on the next following days, close holidays excepted.

Conditions of Auction Sale.

II. A deposit must be made by each bidder previous to bidding and will be received *by the selling officer on the day of sale.* A deposit of Rs. 50 will ordinarily be required from any person wishing to bid for any important shop or any large number of shops. This will be reduced to Rs. 20 in the case of bidders for not more than two or three shops of an aggregate monthly value of Rs. 50 or less and to Rs. 5 in the case of bidders for single small shops. In the case of shops whose average monthly rental is very small, the selling officer may fix such other reasonable amount as he may deem fit.

III. (*a*) The shops will be put up to public auction in the order in which they are notified in the schedule unless the selling officer sees reason to change that order. The upset price at which the shop or shops will be put up to auction will be the average of the three previous years' rentals. This price will not be lowered and if there are no bids for or above the upset price, the shop or shops will generally be sold for a period of one year only, and then the conditions applicable to the annual lease of toddy shops by auction will apply to these shops also.

(*b*) The Deputy Commissioners have full discretion to work the scheme of the three years' lease if the rentals realized for the whole taluk is not less than the average of the three previous years' rentals, though individual shops may not fetch a rental equal to the average of its three previous years' rentals.

(*c*) The rentals and the consumption of the previous three years together with their average will be published for the information of bidders.

(*d*) The privilege in any Coffee estate may be sold to the planter for a fixed amount not less than Rs. 12 per shop per annum.

(*e*) Toddy shops in alienated villages whose claims to the Excise revenue from toddy have been recognized or have not yet been settled shall invariably be sold separately and the amounts connected therewith shall be shown in the accounts under a distinct head.

IV. Every shop should as a rule be sold independently. Grouping should be resorted to only under very exceptional circumstances limiting the number of shops so grouped strictly to the necessity of the occasion.

V. No person will be allowed to bid for another unless he holds a power-of-attorney from the latter.

VI. No shops will be knocked down in the name of two or more persons unless they represent a duly recognized company or firm by means of a power-of-attorney. The selling officer shall refuse to register as a purchaser any one in whose name the building has not proceeded.

VII. The officer conducting the sale may, at his discretion, refuse to accept the bid of any person on the ground that it is too low or that he has been convicted by a Criminal Court or has previously been guilty of such a breach of the conditions of a license or of a contract under the Excise Regulation or Opium Act, as to render him undesirable as a holder of a license or on the ground that he is insolvent or to prevent arrangements to the detriment of Government interests or for any other valid reason. He may also refuse any bid which he may consider to be purely speculative after recording his reasons for doing so.

VIII. The shops will be knocked down to the highest bidder, but the sale will be subject to formal confirmation by the Deputy Commissioner, who shall be at liberty to accept or reject any bid at his discretion. Such formal confirmation will be tantamount to an

acceptance of the bid unless revised by the Government for special reasons and will be necessary whether the sale be held by the Deputy Commissioner himself or by any officer appointed by him.

IX. In cases of dispute at the time of auction the selling officer's decision shall be final; and if for any reason the highest bid is rejected the next highest shall be taken or the shop re-sold at his discretion.

X. Tenders after auction shall not generally be accepted. Shops remaining unsold at the first auction shall ordinarily be disposed of by re-auction later on. But the Deputy Commissioner has full discretion on this point.

XI. At the close of each day's sale, the deposits made by the unsuccessful bidders will be returned to them. As the auction proceeds, each person whose bid is accepted shall at once, if so required by the selling officer, or otherwise at the close of the day's sale, make a further deposit* of two months' rent (in addition to the deposit made under condition II) for each shop unless the initial deposit equals or exceeds six months' rent. Should he fail to do so, the deposit made by him under condition II will be forfeited and the shops will be put up again immediately to auction by the selling officer on the above conditions or otherwise disposed of by the Deputy Commissioner and the defaulter will be debarred from bidding again for the same or for any other shop.

XII. Persons to whom shops have been knocked down and who have made deposits as provided in conditions II and XI shall leave their address with the selling officer, in order that the confirmation of the sale may be communicated to that address by a notice and they shall also * deposit such further sum as with the former deposits will make up six months' rent. Such deposit should be paid into the Taluk Treasury within seven days from the date of communication of the notice of the Deputy Commissioner's acceptance of the bid by its presentation to themselves or to any adult male member of their family at the place of the said address, or by its despatch duly registered by post. They shall then *without unnecessary delay* execute the necessary engagements and take out licenses on the conditions hereinafter set forth. In the case of a purchaser's death after signing the agreement, it will be binding on his heirs and assigns. Should the initial deposit exceed the sum required to be deposited under this condition, the excess will be refunded unless the purchaser is required to make a deposit (twice that sum) under condition XIII *infra*.

XIII. If on enquiry subsequent to sale the purchaser shall be found to be of doubtful solvency or a foreigner having no sufficient property in the Mysore State he may be required either to deposit twice the sum prescribed in condition XII *supra* or to get a surety or sureties, residents of and possessing sufficient property in the Mysore State to execute a security bond for the due payment of all moneys that may become due by him under the terms of the contract. The bond shall be stamped (Article 32 of Schedule I of the Mysore Stamp Regulation, II of 1900) and also registered at the expense of the purchaser if the amount secured exceeds Rs. 1,000.

XIV. As soon as the sales are over, the sale conducting officer shall forward a list of the successful bidders to the Amildar of the taluk concerned, who shall enquire into the solvency of, and record the amount of deposit or surety required from each purchaser. He should submit the list so prepared to the selling officer within five days of its receipt and the latter should submit the same with his remarks to the Deputy Commissioner for confirmation without delay.

XV. On the failure of any person to make deposit under condition XII or to comply with the requisition under condition XIII *supra* or to execute engagements and take out licenses as aforesaid, the deposits already made may be forfeited and the shop be re-sold or otherwise disposed of at the discretion of the Deputy Commissioner.

XVI. Re-sales effected under condition XV will be at the risk of the defaulting bidder, who will forfeit all gain, and, in the event of loss, will be required to make good the deficiency between the total amount payable for the whole period under the terms of the original sale and the total amount payable by the successful bidder at the re-sale. In the latter case the forfeited deposits will be deducted from the loss arising from the re-sale, and the remainder, if any, will be recoverable from the defaulter in the same manner as if it were an arrear of land revenue. Should, however, the forfeited deposits be greater than the loss by re-sale, the whole of such deposits will be credited to Government. The defaulting bidder will be similarly liable if the privilege is disposed of otherwise than by re-sale and such disposal results in loss to Government as compared with the original sale.

XVII. The purchaser of the privilege is liable to the penalties prescribed for breaches of the conditions set forth below though a formal license may not have been issued to him.

XVIII. The deposit referred to in condition XII or condition XIII, as the case may be, will be taken as security for the due performance of the conditions of the license. If the Amildar and the licensee so agree it may be credited towards the last instalment of the khists payable by the latter.

* Deposits may be in cash or other approved security.

XIX. The licenses issued under the above clauses will contain the following general conditions common to all Excise and Opium licenses and the special conditions prescribed below for toddy licenses :—

31. In the event of the aforesaid arrack, toddy or drug licensee failing to pay his khist by the end of the month for which it is due, the Amildar with the sanction of the Deputy Commissioner by record in writing and after suspending the license shall resell on the 1st of the month following (close holidays excepted) the privilege of sale with effect from the date of issue of license to the new purchaser or the privilege may be otherwise disposed of at the Deputy Commissioner's discretion. The licensee or his agent may also be prosecuted for the specific offence committed. The rent for the whole lease shall become due at once, when a lease is cancelled under this condition.

NOTE.—For continuing breaches of license, continuing fines may be imposed.

34. EXCISE COMMISSIONER'S OFFICE,
Bangalore, 26th March 1909.

H. H. SPARKES,
Excise Commissioner in Mysore.

Notification No. 9013, dated 7th April 1909.

Notice of sale in the Bowringpet Taluk, for a period of 3 years, commencing 1st July 1909 and ending 30th June 1912, of licenses for the sale of Foreign Liquors in Refreshment Rooms in which the sale of liquor is ordinarily combined with the supply of meals or eatables prepared and served in the European manner.

I. Notice is hereby given that the privilege of selling Foreign Liquor under the licenses mentioned in the subjoined schedule during the three years, beginning 1st July 1909 and ending 30th June 1912, will be put up to public auction by Deputy Commissioners or Revenue Assistant Commissioners or District Officers of the Excise Department or other officers specially authorized by the Deputy Commissioners for the purpose on the date and at the place mentioned in the schedule, subject to the conditions hereinafter set forth. If the sales are not completed on the dates fixed, they will be continued on the next following days, close holidays excepted.

II. A deposit of Rs. 20 must be made by each bidder previous to bidding and will be received by the selling officer on the day of sale.

III. The shops will be put up to auction at an upset price of Rs. 150 per annum. If there are no bids for or above the upset price the privilege shall not be sold and no Refreshment Room License of the kind shall be issued.

IV. Every shop should, as a rule, be sold independently.

V. No person will be allowed to bid for another unless he holds a Power-of-Attorney from the latter.

VI. No shops will be knocked down in the name of two or more persons unless they represent a duly recognized Company or firm by means of a Power-of-Attorney. The selling officer shall refuse to register as a purchaser any one in whose name the bidding has not proceeded.

VII. The officer conducting the sale may, at his discretion, refuse to accept the bid of any person on the ground that it is too low or that he has been convicted by a Criminal Court or has previously been guilty of such a breach of the conditions of a license or of a contract under the Excise Regulation or Opium Act, as to render him undesirable as a holder of a license or on the ground that he is insolvent or to prevent arrangements to the detriment of Government interests or for any other valid reason. He may also refuse any bid which he may consider to be purely speculative after recording his reasons for doing so.

VIII. The shops will be knocked down to the highest bidder, but the sale will be subject to formal confirmation by the Deputy Commissioner, who shall be at liberty to accept or reject any bid at his discretion. Such formal confirmation will be tantamount to an acceptance of the bid unless revised by the Government for special reasons and will be necessary whether the sale be held by the Deputy Commissioner himself or by any officer appointed by him.

IX. In case of dispute the selling officer's decision shall be final; and if for any reason the highest bid is rejected the next highest shall be taken or the shop re-sold at his discretion.

X. Tenders after auction shall not generally be accepted. Shops remaining unsold at the first auction shall ordinarily be disposed of by re-auction later on. But the Deputy Commissioner has full discretion on this point.

XI. At the close of each day's sale, the deposits made by the unsuccessful bidders will be returned to them. As the auction proceeds, each person whose bid is accepted shall at once, if so required by the selling officer, or otherwise at the close of the day's sale, make a further deposit of two months' rent (in addition to the deposit made under condition II) for each shop unless the initial deposit equals or exceeds six months' rent. Should he fail to do so, the deposit made by him under condition II will be forfeited and the shops will be put up again immediately to auction by the selling officer on the above conditions or otherwise disposed of by the Deputy Commissioner and the defaulter will be debarred from bidding again for the same or for any other shop.

XII. Persons to whom shops have been knocked down and who have made deposits as provided in conditions II and XI shall leave their address with the selling officer, in order that the confirmation of the sale may be communicated to that address by a notice and they shall also deposit* such further sum as with the former deposits will make up six months' rent. Such deposit should be paid into the Taluk Treasury within seven days from the date

* Deposits may be in cash or other approved security.

of communication of the notice of the Deputy Commissioner's acceptance of the bid by its presentation to themselves or to any adult male member of their family at the place of the said address, or by its despatch duly registered by post. They shall then *without unnecessary delay* execute the necessary engagements and take out licenses on the conditions hereinafter set forth. In the case of the purchaser's death after signing the agreement, it will be binding on his heirs and assigns. Should the initial deposit exceed the sum required to be deposited under this condition, the excess will be refunded unless the purchaser is required to make a deposit (twice that sum) under condition XIII *infra*.

XIII. If on enquiry subsequent to sale the purchaser shall be found to be of doubtful solvency or a foreigner having no sufficient property in the Mysore State, he may be required either to deposit twice the sum prescribed in condition XII *supra* or to get a surety or sureties, residents of and possessing sufficient property in the Mysore State to execute a security bond for the due payment of all moneys that may become due by him under the terms of the contract. The bond shall be stamped (Article 32 of Schedule I of the Mysore Stamp Regulation, II of 1900) and also registered at the expense of the purchaser if the amount secured exceeds Rs. 1,000.

XIV. As soon as the sales are over, the sale conducting officer shall forward a list of the successful bidders to the Amildar of the taluk concerned who shall enquire into the solvency of and record the amount of deposit or surety required from each purchaser. He should submit the list so prepared to the selling officer within five days of its receipt and the latter should submit the same with his remarks to the Deputy Commissioner for confirmation without delay.

XV. On the failure of any person to make deposit under condition XII or to comply with the requisition under condition XIII *supra* or to execute engagements and take out licenses as aforesaid, the deposits already made shall be forfeited and the shop be re-sold or otherwise disposed of at the discretion of the Deputy Commissioner.

XVI. Re-sales effected under condition XV will be at the risk of the defaulting bidder, who will forfeit all gain, and, in the event of loss, will be required to make good the deficiency between the total amount payable for the whole period under the terms of the original sale and the total amount payable by the successful bidder at the re-sale. In the latter case the forfeited deposits will be deducted from the loss arising from the re-sale, and the remainder, if any, will be recoverable from the defaulter in the same manner as if it were an arrear of land revenue. Should, however, the forfeited deposits be greater than the loss by re-sale, the whole of such deposits will be credited to Government. The defaulting bidder will be similarly liable if the privilege is disposed of otherwise than by re-sale and such disposal results in loss to Government as compared with the original sale.

XVII. The purchaser of the privilege is liable to the penalties prescribed for breaches of the conditions set forth below, though a formal license may not have been issued to him.

XVIII. The deposit referred to in condition XII or condition XIII, as the case may be, will be taken as security for the due performance of the conditions of the license. If the Deputy Commissioner and the licensee so agreed, it may be credited towards the last instalment of the khists payable by the latter.

XIX. The licenses issued under the above clauses will contain the following general conditions; and the special conditions prescribed below:—

Notice dated 13th April 1909.

1. Notice is hereby given that the exclusive privilege of selling Country Beer or Porter in each of the taverns established in Bowringpet and the Kolar Gold Fields for the twelve months beginning with 1st July 1909 and ending with 30th June 1910, will be sold by public auction on the date and at the place mentioned below, by the Deputy Commissioner of the District concerned or other officer authorized by him.

2. The exclusive privilege will be put up to auction at the upset price fixed at Rs. 35 per Hogshead of Beer or Porter, which will be sold in the taverns at Bowringpet and the Kolar Gold Fields.

3. The manufacturers of Beer may bid for or purchase the taverns.

4. Each bidder at the auction shall deposit a sum of Rs. 250 or such other reasonable amount as may be fixed by the officer conducting the sale, previous to bidding. Each tavern will be knocked down to the approved highest bidder, subject to the formal confirmation by the Deputy Commissioner, who will be at liberty to accept or reject the bid at discretion, without assigning reasons for the same. Such formal confirmation will, unless revised by Government, be tantamount to an acceptance of the bid. Parties intending to bid must attend either in person or by duly accredited agents.

5. As soon as the auction is completed, the deposits made by the unsuccessful bidders, will be returned to them.

6. The person to whom the tavern has been knocked down, shall be required to leave his address with the sale-conducting officer in order that the confirmation of the sale may be communicated to that address, and within seven days after service of the said notice by its presentation to the purchaser or any adult male member of the family at the place of the said address or by its being affixed thereto or by its forwardal duly registered by post, deposit such further sum as, with the first deposit, will make up a total security of Rs. 500 for each tavern knocked down to him or such other reasonable amount as may be fixed by the Deputy Commissioner according to the value of each tavern; and shall take out licenses and execute counterpart-engagements, on the conditions hereinafter set forth. In the latter case, the forfeited deposit shall be deducted from the loss arising from the re-sale or other disposal, and the remainder, if any, shall be recovered from the bidder in the same manner as if it were an arrear of land revenue. Should, however, the forfeited deposit be greater than the loss by re-sale or other disposal, the whole of such deposit shall be credited to Government.

EXCISE DEPARTMENT.

NOTIFICATION.

NOTICE OF SALE OF EXCISE AND OPIUM PRIVILEGES.

No. 9011, dated 7th April 1909.

Notice is hereby given that the exclusive privilege of selling liquor, intoxicating drugs and opium in the several shops appointed for the purpose and published in the Schedule during the twelve months beginning 1st July 1909 and ending 30th June 1910 will be put up to public auction by Deputy Commissioners or Revenue Assistant Commissioners or District Officers of the Excise Department or other officers specially authorised by the Deputy Commissioners for the purpose, on the dates and at the Taluk or Sub-Taluk Head-quarters mentioned in the statement annexed, subject to the conditions hereinafter set forth. If the sales are not completed on the dates fixed, they will be continued on the next following days, close holidays excepted.

Conditions of Auction Sale.

II. A deposit must be made by each bidder previous to bidding and will be received *by the selling officer on the day of sale.* A deposit of Rs. 50 will ordinarily be required from any person wishing to bid for any important shop or any large number of shops. This will be reduced to Rs. 20 in the case of bidders for not more than two or three shops of an aggregate monthly value of Rs. 50 or less and to Rs. 5 in the case of bidders for single small shops. In the case of shops whose average monthly rental is very small, the selling officer may fix such other reasonable amount as he may deem fit.

III. The shops will be put up to auction in the order in which they are notified in the Schedule unless the selling officer sees reason to change that order. Upset prices shall be fixed at the discretion of the selling officer. The reserve price placed by Government on the shops will not be published but the rentals and the consumption of the previous three years will be notified for the information of bidders.

Note.—1. The privilege of vending toddy in any Coffee Estate may be sold to the Planter for any fixed amount not less than Rs. 12 per shop per annum.

Note.—2. Toddy shops in alienated villages whose claims to the Excise revenue from toddy have been recognized or have not yet been settled, shall invariably be sold separately, and the amounts connected therewith shall be shown in the accounts under a distinct head.

IV. Every shop should as a rule be sold independently. Grouping should be resorted to only under very exceptional circumstances limiting the number of shops so grouped strictly to the necessity of the occasion.

V. No person will be allowed to bid for another unless he holds a power-of-attorney from the latter.

VI. No shops will be knocked down in the name of two or more persons unless they represent a duly recognized company or firm by means of a power-of-attorney. The selling officer shall refuse to register as a purchaser any one in whose name the bidding has not proceeded.

VII. The officer conducting the sale may, at his discretion, refuse to accept the bid of any person on the ground that it is too low or that he has been convicted by a Criminal Court or has previously been guilty of such a breach of the conditions of a license or of a contract under the Excise Regulation or Opium Act, as to render him undesirable as a holder of a license or on the ground that he is insolvent or to prevent arrangements to the detriment of Government interests or for any other valid reason. He may also refuse any bid which he may consider to be purely speculative after recording his reasons for doing so.

VIII. The shops will be knocked down to the highest bidder, but the sale will be subject to formal confirmation by the Deputy Commissioner, who shall be at liberty to accept or reject any bid at his discretion. Such formal confirmation will be tantamount to an acceptance of the bid unless revised by the Government for special reasons and will be necessary whether the sale be held by the Deputy Commissioner himself or by any officer appointed by him.

IX. In cases of dispute at the time of auction, the selling officer's decision shall be final; and if for any reason the highest bid is rejected, the next highest shall be taken or the shop re-sold at his discretion.

X. Tenders after auction shall not generally be accepted. Shops remaining unsold at the first auction shall ordinarily be disposed of by re-auction later on. But the Deputy Commissioner has full discretion on this point.

XI. At the close of each day's sale, the deposits made by the unsuccessful bidders will be returned to them. As the auction proceeds, each person whose bid is accepted shall at once, if so required by the selling officer, or otherwise at the close of the day's sale, make a further deposit * of half a month's rent (in addition to the deposit made under condition II) for each shop unless the initial deposit equals or exceeds two months' rent. Should he fail to do so, the deposit made by him under condition II will be forfeited and the shops will be put up again immediately to auction by the selling officer on the above conditions or otherwise disposed of by the Deputy Commissioner and the defaulter will be debarred from bidding again for the same or for any other shop.

XII. Persons to whom shops have been knocked down and who have made deposits as provided in conditions II and XI shall leave their address with the selling officer, in order that the confirmation of the sale may be communicated to that address by a notice and they shall also deposit*, such further sum as with the former deposits will make up two months' rent. Such deposit should be paid into the Taluk Treasury within seven days from the date of communication of the notice of the Deputy Commissioner's acceptance of the bid by its presentation to themselves or to any adult male member of their family at the place of the said address or by its despatch duly registered by post. They shall then *without unnecessary delay* execute the necessary engagements and take out licenses on the conditions hereinafter set forth. In the case of the purchaser's death after signing the agreement, it will be binding on his heirs and assigns. Should the initial deposit exceed the sum required to be deposited under this condition, the excess will be refunded unless the purchaser is required to make a deposit (twice that sum) under condition XIII *infra*.

XIII. If, on enquiry subsequent to sale, the purchaser shall be found to be of doubtful solvency or a foreigner having no sufficient property in the Mysore State, he may be required either to deposit twice the sum prescribed in condition XII *supra* or to get a surety or sureties, residents of and possessing sufficient property in the Mysore State, to execute a security bond for the due payment of all moneys that may become due by him under the terms of the contract. The bond shall be stamped (Article 32 of Schedule I of the Mysore Stamp Regulation, II of 1900) and also registered at the expense of the purchaser if the amount secured exceeds Rs. 1,000.

XIV. As soon as the sales are over, the sale conducting officer shall forward a list of the successful bidders to the Amildar of the taluk concerned, who shall enquire into the solvency of, and record the amount of deposit or surety required from each purchaser. He should submit the list so prepared to the selling officer within five days of its receipt and the latter should submit the same with his remarks to the Deputy Commissioner for confirmation without delay.

XV. On the failure of any person to make deposit under condition XII or to comply with the requisition under condition XIII *supra* or to execute engagements and take out licenses as aforesaid, the deposits already made shall be forfeited and the shop be re-sold or otherwise disposed of at the discretion of the Deputy Commissioner.

XVI. Re-sales effected under condition XV will be at the risk of the defaulting bidder, who will forfeit all gain, and, in the event of loss, will be required to make good the deficiency between the total amount payable for the whole period under the terms of the original sale and the total amount payable by the successful bidder at the re-sale. In the latter case, the forfeited deposits will be deducted from the loss arising from the re-sale, and the remainder, if any, will be recoverable from the defaulter in the same manner as if it were an arrear of land revenue. Should, however, the forfeited deposits be greater than the loss by re-sale, the whole of such deposits will be credited to Government. The defaulting bidder will be similarly liable if the privilege is disposed of otherwise than by re-sale and such disposal results in loss to Government as compared with the original sale.

XVII. The purchaser of the privilege is liable to the penalties prescribed for breaches of the conditions set forth below though a formal license may not have been issued to him.

* Deposits may be in cash or other approved security

XVIII. The deposit referred to in condition XII or condition XIII, as the case may be, will be taken as security for the due performance of the conditions of the license. If the Amildar and the licensee so agree, it may be credited towards the last instalment the khists payable by the latter.

Excise Commissioner.

Notification.

No. 9012, dated 7th April 1909.

NOTICE OF SALE OF DATE TODDY SHOPS FOR A PERIOD OF THREE YEARS FROM 1909 TO 1912.

Notice is hereby given that the exclusive privilege of selling toddy in the several shops appointed for the purpose and published in the Schedule during the three years beginning 1st July 1909 and ending 30th June 1912, will be put up to public auction by Deputy Commissioners or Revenue Assistant Commissioners or District Officers of the Excise Department or other officers specially authorized by the Deputy Commissioners for the purpose, on the dates and at the Taluk Head-quarters mentioned in the statement annexed, subject to the conditions hereinafter set forth. If the sales are not completed on the dates fixed, they will be continued on the next following days, close holidays excepted.

Conditions of Auction Sale.

II. A deposit must be made by each bidder previous to bidding and will be received *by the selling officer on the day of sale.* A deposit of Rs. 50 will ordinarily be required from any person wishing to bid for any important shop or any large number of shops. This will be reduced to Rs. 20 in the case of bidders for not more than two or three shops of an aggregate monthly value of Rs. 50 or less and to Rs. 5 in the case of bidders for single small shops. In the case of shops whose average monthly rental is very small, the selling officer may fix such other reasonable amount as he may deem fit.

III. (*a*) The shops will be put up to public auction in the order in which they are notified in the schedule unless the selling officer sees reason to change that order. The upset price at which the shop or shops will be put up to auction will be the average of the three previous years' rentals. This price will not be lowered and if there are no bids for or above the upset price, the shop or shops will generally be sold for a period of one year only, and then the conditions applicable to the annual lease of toddy shops by auction will apply to these shops also.

(*b*) The Deputy Commissioners have full discretion to work the scheme of the three years' lease if the rentals realized for the whole taluk is not less than the average of the three previous years' rentals, though individual shops may not fetch a rental equal to the average of its three previous years' rentals.

(*c*) The rentals and the consumption of the previous three years together with their average will be published for the information of bidders.

(*d*) The privilege in any Coffee estate may be sold to the planter for a fixed amount not less than Rs. 12 per shop per annum.

(*e*) Toddy shops in alienated villages whose claims to the Excise revenue from toddy have been recognized or have not yet been settled shall invariably be sold separately and the amounts connected therewith shall be shown in the accounts under a distinct head.

IV. Every shop should as a rule be sold independently. Grouping should be resorted to only under very exceptional circumstances limiting the number of shops so grouped strictly to the necessity of the occasion.

V. No person will be allowed to bid for another unless he holds a power-of-attorney from the latter.

VI. No shops will be knocked down in the name of two or more persons unless they represent a duly recognized company or firm by means of a power-of-attorney. The selling officer shall refuse to register as a purchaser any one in whose name the building has not proceeded.

VII. The officer conducting the sale may, at his discretion, refuse to accept the bid of any person on the ground that it is too low or that he has been convicted by a Criminal Court or has previously been guilty of such a breach of the conditions of a license or of a contract under the Excise Regulation or Opium Act, as to render him undesirable as a holder of a license or on the ground that he is insolvent or to prevent arrangements to the detriment of Government interests or for any other valid reason. He may also refuse any bid which he may consider to be purely speculative after recording his reasons for doing so.

VIII. The shops will be knocked down to the highest bidder, but the sale will be subject to formal confirmation by the Deputy Commissioner, who shall be at liberty to accept or reject any bid at his discretion. Such formal confirmation will be tantamount to an

acceptance of the bid unless revised by the Government for special reasons and will be necessary whether the sale be held by the Deputy Commissioner himself or by any officer appointed by him.

IX. In cases of dispute at the time of auction the selling officer's decision shall be final; and if for any reason the highest bid is rejected the next highest shall be taken or the shop re-sold at his discretion.

X. Tenders after auction shall not generally be accepted. Shops remaining unsold at the first auction shall ordinarily be disposed of by re-auction later on. But the Deputy Commissioner has full discretion on this point.

XI. At the close of each day's sale, the deposits made by the unsuccessful bidders will be returned to them. As the auction proceeds, each person whose bid is accepted shall at once, if so required by the selling officer, or otherwise at the close of the day's sale, make a further deposit* of two months' rent (in addition to the deposit made under condition II) for each shop unless the initial deposit equals or exceeds six months' rent. Should he fail to do so, the deposit made by him under condition II will be forfeited and the shops will be put up again immediately to auction by the selling officer on the above conditions or otherwise disposed of by the Deputy Commissioner and the defaulter will be debarred from bidding again for the same or for any other shop.

XII. Persons to whom shops have been knocked down and who have made deposits as provided in conditions II and XI shall leave their address with the selling officer, in order that the confirmation of the sale may be communicated to that address by a notice and they shall also deposit such further sum as with the former deposits will make up six months' rent. Such deposit should be paid into the Taluk Treasury within seven days from the date of communication of the notice of the Deputy Commissioner's acceptance of the bid by its presentation to themselves or to any adult male member of their family at the place of the said address, or by its despatch duly registered by post. They shall then *without unnecessary delay* execute the necessary engagements and take out licenses on the conditions hereinafter set forth. In the case of a purchaser's death after signing the agreement, it will be binding on his heirs and assigns. Should the initial deposit exceed the sum required to be deposited under this condition, the excess will be refunded unless the purchaser is required to make a deposit (twice that sum) under condition XIII *infra*.

XIII. If on enquiry subsequent to sale the purchaser shall be found to be of doubtful solvency or a foreigner having no sufficient property in the Mysore State he may be required either to deposit twice the sum prescribed in condition XII *supra* or to get a surety or sureties, residents of and possessing sufficient property in the Mysore State to execute a security bond for the due payment of all moneys that may become due by him under the terms of the contract. The bond shall be stamped (Article 32 of Schedule I of the Mysore Stamp Regulation, II of 1900) and also registered at the expense of the purchaser if the amount secured exceeds Rs. 1,000.

XIV. As soon as the sales are over, the sale conducting officer shall forward a list of the successful bidders to the Amildar of the taluk concerned, who shall enquire into the solvency of, and record the amount of deposit or surety required from each purchaser. He should submit the list so prepared to the selling officer within five days of its receipt and the latter should submit the same with his remarks to the Deputy Commissioner for confirmation without delay.

XV. On the failure of any person to make deposit under condition XII or to comply with the requisition under condition XIII *supra* or to execute engagements and take out licenses as aforesaid, the deposits already made may be forfeited and the shop be re-sold or otherwise disposed of at the discretion of the Deputy Commissioner.

XVI. Re-sales effected under condition XV will be at the risk of the defaulting bidder, who will forfeit all gain, and in the event of loss, will be required to make good the deficiency between the total amount payable for the whole period under the terms of the original sale and the total amount payable by the successful bidder at the re-sale. In the latter case the forfeited deposits will be deducted from the loss arising from the re-sale, and the remainder, if any, will be recoverable from the defaulter in the same manner as if it were an arrear of land revenue. Should, however, the forfeited deposits be greater than the loss by re-sale, the whole of such deposits will be credited to Government. The defaulting bidder will be similarly liable if the privilege is disposed of otherwise than by re-sale and such disposal results in loss to Government as compared with the original sale.

XVII. The purchaser of the privilege is liable to the penalties prescribed for breaches of the conditions set forth below though a formal license may not have been issued to him.

XVIII. The deposit referred to in condition XII or condition XIII, as the case may be, will be taken as security for the due performance of the conditions of the license. If the Amildar and the licensee so agree it may be credited towards the last instalment of the khists payable by the latter.

* Deposits may be in cash or other approved security.

XIX. The licenses issued under the above clauses will contain the following general conditions common to all Excise and Opium licenses and the special conditions prescribed below for toddy licenses:—

General conditions applicable to all Excise and Opium Licenses.

1. The manufacturers of arrack and other country spirits as well as the licensees of Arrack Bonded Depôts are prohibited from holding any interest in the retail vend of arrack or in the vend of other intoxicants, and from employing any person who has such interest. This prohibition does not extend to the wholesale supply by the manfacturers of special liquors or of rectified spirit to licensed vendors.

2. The limits within which sales under any Excise or Opium licenses may be carried on, will be specified by the Deputy Commissioner at the time of the grant of the license. The sale or possession (except subject to the rules applicable to unlicensed persons) of liquor, intoxicating drugs or opium outside those limits is prohibited, except with the special permission of the Deputy Commissioner.

3. Sales must be conducted in a suitable building of which the whole or part must be entirely set aside for use as a depôt or shop. If there are means of communications between the depôt or shop, and an adjoining dwelling house, they must be kept locked at night. In the case of arrack shops in Municipalities or towns having a population of 5,000, and over, the shop premises shall have no doors except into the main street; no windows or other opening shall be allowed to the rear or at the ends of the building; there shall be no possible means of ingress or egress in any other direction; the bar at which the sale is held shall be opposite the enterance door, and so situated that all persons inside can be seen by any one passing to and fro in the street, and no second room shall be used for sale, or be kept open for customers. The interior of the shop shall be sufficiently lighted by day, and the shop shall not be used as a place of residence, save by the vendor and his family or care-takers.

4. Except in the case when two or more foreign liquor licenses are held by one person, sales under each license issued must be in different premises (Chemists and Druggists and Medicial Practitioners excepted). The possession upon any licensed premises of any liquor, intoxicating drug or opium except that to which the license relates, or of any essence or substance used or capable of being used for colouring or flavouring liquor is prohibited. But intoxicating drugs made from opium other than Morphia or preparations for smoking may be prepared and sold in shops licensed for the sale of opium.

5. A signboard must be affixed to the front of each depôt or shop showing the nature and the number of the license under which the sales are conducted there, the name of the licensee and (except in the case of foreign liquor or special liquors), the current rate of sale. These particulars must be legibly painted in the local vernacular. The license must be hung up in a conspicuous place within.

6. All liquor, intoxicating drugs and opium sold or kept for sale shall be of good quality and unadulterated. Nothing shall be added to them, either to increase their intoxicating power or for any other purpose except the manufacture of intoxicating drugs in accordance with the terms of a license. All officers authorized to inspect depôts and shops (*vide* condition 25 *infra*) are authorized to detain any liquor, intoxicating drug or opium found unfit for consumption or use, or which they may believe to have been tampered with, and the Excise Commissioner, Deputy Commissioners and District Excise Officers are empowered to destroy such as are found unfit for consumption or use.

7. The sale or transport of liquor, intoxicating drugs or opium by persons below the age of sixteen or by persons suffering from leprosy or any contageous disease, and the employment of such persons in the shops or depots for the sale of the same are prohibited. The Deputy Commissioner may, where necessary, call for the names of all persons employed or proposed to be employed in depôts or shops and forbid the sale of liquor, intoxicating drugs or opium by any person of whom he may disapprove.

8. No depôt or shop shall be opened before sunrise or kept open after 9 P.M. except under special authority.*

9. No drunkenness, disorder or gaming shall be permitted in depôts or shops. Entertainments of any kind in depôts or shops are also strictly forbidden.

10. No robbers or thieves or disorderly or riotous persons or prostitutes or soldiers or others known or believed to be deserters shall be harboured in depôts and shops. Intimation of their resort thereto shall be given to the nearest Magistrate or Police officer.

11. No person shall be harboured in any depôt or shop during the night.

12. Depôts and shops situated on or adjacent to the line of march must be closed if the Deputy Commissioner so orders, while a regiment or detachment of European or Native

soldiers is passing or is encamped in the vicinity. Deputy Commissioners or Revenue Assistant Commissioners shall have power also to close any shops temporarily in times of religious excitement or disturbance. Every depôt and shop-keeper shall, on his own motion, close his depôt or shop when there is riot or disturbance in the neighbourhood.

13. The Deputy Commissioners may order the transfer of depôts and shops from one locality to another provided the distance is not more than two hundred yards or the closure of the same. But no new shops shall be opened except with the previous sanction of the Excise Commissioner.

14. The right is reserved to the Deputy Commissioner to grant "occasional licenses" for the sale of liquor, intoxicating drugs and opium, or the occurrence of fairs, festivals, etc., in places in the vicinity of which there are no regularly licensed shops. Such licenses shall ordinarily be granted to the shop-keepers who usually supply the locality or to the representatives of the renter. Their period shall not exceed fifteen days and the fee to be paid therefore shall be fixed at the Deputy Commissioner's discretion unless he decides to sell the same by public auction.

15. No liquor, intoxicating drug or opium shall be sold or given—

(*a*) Except at shops specially approved by the General Officer Commanding the Division (or Independent Brigade) or the Officer Commanding the Cantonment or Camp, and then only in respect to such liquors as shall be approved by the same authority in consultation with the local Excise authorities and specified in the license—
  (1) to sailors, soldiers and the members of their families, or
  (2) to any other person living in barracks;

(*b*) Whilst on duty, to any—

(*c*) In any circumstances, to any—
  (1) European vagrant under escort of the Police;
  (2) Child under sixteen years of age;
  (3) Insane person; or
  (4) Person known or believed to be intoxicated.

16. No privilege of supply or vend shall be sold, transferred or subrented without the Excise Commissioner's previous permission. Nor, if the Deputy Commissioner so orders, shall any agent be appointed for the management of any such privilege without his previous approval.

17. No holder of any Excise or Opium License will be allowed, without the written permission of the Excise Commissioner to possess or continue to possess any interest direct or indirect in any Excise or Opium license outside the Territories of Mysore, or in the Civil and Military Station of Bangalore.

18. Depôts and shops must be kept open unless their temporary or permanent closure is authorized under condition 12 or 13 *supra* and such supply of liquor, intoxicating drugs or opium as the Deputy Commissioner may consider sufficient to meet local requirements must be maintained therein. Shops not opened by 1st July shall be liable to be resold at the risk of the licensees.

19. No liquor, intoxicating drug or opium shall be sold in shops except for cash. The licensee shall be bound to give intimation of the offer of anything other than cash to the nearest Magistrate or Policer Officer. This condition is not, however, meant to restrict credit sales in the ordinary course of business by shop-keepers or Firms of standing and respectability dealing in Foreign and Special liquors for consumption off the premises.

20.* No liquor, intoxicating drug or opium shall be sold below or above such minimum or maximum or fixed prices as may be prescribed for the sale of the same in accordance with the law for the time being in force.

21.† No liquor, intoxicating drug or opium in excess of the quantity prescribed for possession without a license shall be permitted to be removed by any person at any one time from any licensed premises without a valid permit.

Any sum due by a licensee may be recovered by attachment and sale of the property of the licensee or his surety, under any law for the time being in force for the recovery of arrears of land revenue or adjusted from the deposit, if any, made by him at the commencement of the lease. He shall be bound to replace any sums adjusted from his deposit within fifteen days of receipt of notice from the Amildar.

30. Power is further reserved to Revenue Officers to suspend licenses in case of failure of payment of khists or (in the case of toddy) tree-tax also on the due dates. In the case of arrack, toddy and drug shops this power will be exercised by Amildars and in other cases by the Deputy Commissioners.

31. In the event of the aforesaid arrack, toddy or drug licensee failing to pay his khist by the end of the month for which it is due, the Amildar with the sanction of the Deputy Commissioner, by record in writing and after suspending the license shall resell on the 1st of the month following (close holidays excepted) the privilege of sale with effect from the date of issue of license to the new purchaser or the privilege may be otherwise disposed of at the Deputy Commissioner's discretion. The licensee or his agent may also be prosecuted for the specific offence committed. The rent for the whole lease shall become due at once, when a lease is cancelled under this condition.

NOTE.—For continuing breaches of license, continuing fines may be imposed.

34. Any license may be forfeited and the privilege be re-sold or otherwise disposed of at the risk of the licensee if the licensee be convicted before a Magistrate of any offence against the Excise Regulation, / Opium Act or of any offence under the Indian Penal Code, which in the Deputy Commissioner's opinion renders him unfit to hold it. *The purchaser of a privilege is liable to the penalties prescribed in this condition if he is convicted of any such offence as above contemplated after the confirmation of the sale of the privilege to him though before issue of a formal license.* Forfeiture of any license under this clause shall involve forfeiture of the balance of all deposits after payment to Government of all sums due under the lease.

35. Licensees are bound to report to the Deputy Commissioner all instances which come to their knowledge of persons employed by them in the manufacture, carriage or sale of liquor, opium and intoxicating drugs, committing breaches of the Excise Opium Laws or of engagements entered into by them and to comply with the Deputy Commissioner's orders respecting the continued employment of such persons. (3) No toddy except the produce of tree for the tapping of which a license has been issued shall be kept in the shop or offered for sale or sold.

(4) The licensee shall be responsible to Government for all payments of instalment of fees due on account of tree-tapping licenses granted on his application in his own name or in the names of his nominees under the conditions set forth therein and in the rules relating thereto.

(5) If any instalments are not paid within the time, the tapping license shall be liable to be cancelled or suspended under Section 26 of the Excise Regulation.

(6) In case of default, the Amildar with the Deputy Commissioner's permission, or other officer appointed for the purpose by the Deputy Commissioner, will order the suspension of the tapping license till the arrears are paid up; and if, after receiving notice of such suspension, the defaulter continue to tap the trees, he will be prosecuted for illicit tapping.

NOTE.—No trees on Government unoccupied land can be tapped without the consent of the owner. The present arrangements as regards trees in alienated land will hold good, subject of course to the levy by Government of tree tax.

(15) In every grove where toddy-yielding trees are tapped, a ladder shall always be kept by the tap-men to enable Excise officers to examine spathes or incisions as the case may be.

(16) The licensee shall pay the usual mohatarfa tax on carts used for conveying toddy but such carts shall not be impressed for Government work.

The applicant will then make his application to British authorities in accordance with the Madras Government Tree Tapping Rules, and will obtain a transport permit from the Inspector concerned in the Mysore State for the transport of the toddy drawn from the frontier to the shop or depôt for which it is intended, after having complied with all requirements of the Madras Government Rules.

But the removal of leaves for the purpose of making incisions and the preparation of the spathes or incisions for the drawing of toddy is permitted as soon as the application in the prescribed form has been delivered to the Treasury concerned.

(7) For all toddy-yielding trees, tree-tapping licenses shall be annual, from the 1st July to the 30th June next irrespective of the time when the application for a tree-tapping license is made. EXCISE COMMISSIONER'S OFFICE,
Bangalore, 26th March 1909.

H. H. SPARKES,
Excise Commissioner in Mysore.

Notification No. 9013, dated 7th April 1909.

Notice of sale in the Bowringpet Taluk, for a period of 3 years, commencing 1st July 1909 and ending 30th June 1912, of licenses for the sale of Foreign Liquors in Refreshment Rooms in which the sale of liquor is ordinarily combined with the supply of meals or eatables prepared and served in the European manner.

I. Notice is hereby given that the privilege of selling Foreign Liquor under the licenses mentioned in the subjoined schedule during the three years, beginning 1st July 1909 and ending 30th June 1912, will be put up to public auction by Deputy Commissioners or Revenue Assistant Commissioners or District Officers of the Excise Department or other officers specially authorized by the Deputy Commissioners for the purpose on the date and at the place mentioned in the schedule, subject to the conditions hereinafter set forth. If the sales are not completed on the dates fixed, they will be continued on the next following days, close holidays excepted.

II. A deposit of Rs. 20 must be made by each bidder previous to bidding and will be received by the selling officer on the day of sale.

III. The shops will be put up to auction at an upset price of Rs. 150 per annum. If there are no bids for or above the upset price the privilege shall not be sold and no Refreshment Room License of the kind shall be issued.

IV. Every shop should, as a rule, be sold independently.

V. No person will be allowed to bid for another unless he holds a Power-of-Attorney from the latter.

VI. No shops will be knocked down in the name of two or more persons unless they represent a duly recognized Company or firm by means of a Power-of-Attorney. The selling officer shall refuse to register as a purchaser any one in whose name the bidding has not proceeded.

VII. The officer conducting the sale may, at his discretion, refuse to accept the bid of any person on the ground that it is too low or that he has been convicted by a Criminal Court or has previously been guilty of such a breach of the conditions of a license or of a contract under the Excise Regulation or Opium Act, as to render him undesirable as a holder of a license or on the ground that he is insolvent or to prevent arrangements to the detriment of Government interests or for any other valid reason. He may also refuse any bid which he may consider to be purely speculative after recording his reasons for doing so.

VIII. The shops will be knocked down to the highest bidder, but the sale will be subject to formal confirmation by the Deputy Commissioner, who shall be at liberty to accept or reject any bid at his discretion. Such formal confirmation will be tantamount to an acceptance of the bid unless revised by the Government for special reasons and will be necessary whether the sale be held by the Deputy Commissioner himself or by any officer appointed by him.

IX. In case of dispute the selling officer's decision shall be final; and if for any reason the highest bid is rejected the next highest shall be taken or the shop re-sold at his discretion.

X. Tenders after auction shall not generally be accepted. Shops remaining unsold at the first auction shall ordinarily be disposed of by re-auction later on. But the Deputy Commissioner has full discretion on this point.

XI. At the close of each day's sale, the deposits made by the unsuccessful bidders will be returned to them. As the auction proceeds, each person whose bid is accepted shall at once, if so required by the selling officer, or otherwise at the close of the day's sale, make a further deposit of two months' rent (in addition to the deposit made under condition II) for each shop unless the initial deposit equals or exceeds six months' rent. Should he fail to do so, the deposit made by him under condition II will be forfeited and the shops will be put up again immediately to auction by the selling officer on the above conditions or otherwise disposed of by the Deputy Commissioner and the defaulter will be debarred from bidding again for the same or for any other shop.

XII. Persons to whom shops have been knocked down and who have made deposits as provided in conditions II and XI shall leave their address with the selling officer, in order that the confirmation of the sale may be communicated to that address by a notice and they shall also deposit* such further sum as with the former deposits will make up six months' rent. Such deposit should be paid into the Taluk Treasury within seven days from the date

* Deposits may be in cash or other approved security.

of communication of the notice of the Deputy Commissioner's acceptance of the bid by its presentation to themselves or to any adult male member of their family at the place of the said address, or by its despatch duly registered by post. They shall then *without unnecessary delay* execute the necessary engagements and take out licenses on the conditions hereinafter set forth. In the case of the purchaser's death after signing the agreement, it will be binding on his heirs and assigns. Should the initial deposit exceed the sum required to be deposited under this condition, the excess will be refunded unless the purchaser is required to make a deposit (twice that sum) under condition XIII *infra*.

XIII. If on enquiry subsequent to sale the purchaser shall be found to be of doubtful solvency or a foreigner having no sufficient property in the Mysore State, he may be required either to deposit twice the sum prescribed in condition XII *supra* or to get a surety or sureties, residents of and possessing sufficient property in the Mysore State to execute a security bond for the due payment of all moneys that may become due by him under the terms of the contract. The bond shall be stamped (Article 32 of Schedule I of the Mysore Stamp Regulation, II of 1900) and also registered at the expense of the purchaser if the amount secured exceeds Rs. 1,000.

XIV. As soon as the sales are over, the sale conducting officer shall forward a list of the successful bidders to the Amildar of the taluk concerned who shall enquire into the solvency of and record the amount of deposit or surety required from each purchaser. He should submit the list so prepared to the selling officer within five days of its receipt and the latter should submit the same with his remarks to the Deputy Commissioner for confirmation without delay.

XV. On the failure of any person to make deposit under condition XII or to comply with the requisition under condition XIII *supra* or to execute engagements and take out licenses as aforesaid, the deposits already made shall be forfeited and the shop be re-sold or otherwise disposed of at the discretion of the Deputy Commissioner.

XVI. Re-sales effected under condition XV will be at the risk of the defaulting bidder, who will forfeit all gain, and, in the event of loss, will be required to make good the deficiency between the total amount payable for the whole period under the terms of the original sale and the total amount payable by the successful bidder at the re-sale. In the latter case the forfeited deposits will be deducted from the loss arising from the re-sale, and the remainder, if any, will be recoverable from the defaulter in the same manner as if it were an arrear of land revenue. Should, however, the forfeited deposits be greater than the loss by re-sale, the whole of such deposits will be credited to Government. The defaulting bidder will be similarly liable if the privilege is disposed of otherwise than by re-sale and such disposal results in loss to Government as compared with the original sale.

XVII. The purchaser of the privilege is liable to the penalties prescribed for breaches of the conditions set forth below, though a formal license may not have been issued to him.

XVIII. The deposit referred to in condition XII or condition XIII, as the case may be, will be taken as security for the due performance of the conditions of the license. If the Deputy Commissioner and the licensee so agreed, it may be credited towards the last instalment of the khists payable by the latter.

XIX. The licenses issued under the above clauses will contain the following general conditions; and the special conditions prescribed below:—

General conditions applicable to all Excise and Opium Licenses.

Every Depôt and shop-keeper shall on his own motion close his Depôt or shop when there is riot or disturbance in the neighbourhood.

13. The Deputy Commissioners may order the transfer of Depôts and shops from one locality to another provided the distance is not more than two hundred yards or the closure of the same. But no new shops shall be opened except with the previous sanction of the Excise Commissioner.

14. The right is reserved to the Deputy Commissioner to grant "Occasional licenses" for the sale of liquor, intoxicating drugs and opium, on the occurrence of fairs, festivals, etc., in places in the vicinity of which there are no regularly licensed shops. Such licenses shall ordinarily be granted to the shop-keepers who usually supply the locality or to the representatives of the renter. Shops not opened by 1st July shall be liable to be resold at the risk of the licensees.

19. No liquor, intoxicating drug or opium shall be sold in shops except for cash. The licensee shall be bound to give intimation of the offer of anything other than cash to the nearest Magistrate or Police Officer. SIR,

It has been the practice since the year 1902-03, for the supplementary accounts for June to be compiled in this office, but this procedure is open to the objection that this office both audits and compiles the same accounts. I have the honor, therefore, to request that they may be compiled in Divisional Offices in future.

2. The supplementary accounts for June 1909 should be forwarded so as to reach this office not later than the 31st August 1909, and should include all adjustments in connection with the following classes of transactions:—

3. It is neither necessary nor desirable to bring into the supplemental accounts for June, adjustments of trifling amounts which can just as well be made in the accounts of the following year and I would request special attention to this point.

4. Should there be no supplementary accounts to submit, intimation of the fact should be posted so as to reach me by the date mentioned in para 2.

EXCISE DEPARTMENT.

SALE OF COUNTRY BEER TAVERNS IN THE BOWRINGPET TALUK FOR 1909-10.

Notice dated 13th April 1909.

1. Notice is hereby given that the exclusive privilege of selling Country Beer or Porter in each of the taverns established in Bowringpet and the Kolar Gold Fields for the twelve months beginning with 1st July 1909 and ending with 30th June 1910, will be sold by public auction on the date and at the place mentioned below, by the Deputy Commissioner of the District concerned or other officer authorized by him.

2. The exclusive privilege will be put up to auction at the upset price fixed at Rs. 35 per Hogshead of Beer or Porter which will be sold in the taverns at Bowringpet and the Kolar Gold Fields.

3. The manufacturers of Beer may bid for or purchase the taverns.

4. Each bidder at the auction shall deposit a sum of Rs. 250 or such other reasonable amount as may be fixed by the officer conducting the sale, previous to bidding. Each tavern will be knocked down to the approved highest bidder, subject to the formal confirmation by the Deputy Commissioner, who will be at liberty to accept or reject the bid at discretion, without assigning reasons for the same. Such formal confirmation will, unless revised by Government, be tantamount to an acceptance of the bid. Parties intending to bid must attend either in person or by duly accredited agents.

5. As soon as the auction is completed, the deposits made by the unsuccessful bidders, will be returned to them.

6. The person to whom the tavern has been knocked down, shall be required to leave his address with the sale-conducting officer in order that the confirmation of the sale may be communicated to that address, and within seven days after service of the said notice by its presentation to the purchaser or any adult male member of the family at the place of the said address or by its being affixed thereto or by its forwardal duly registered by post, deposit such further sum as, with the first deposit, will make up a total security of Rs. 500 for each tavern knocked down to him or such other reasonable amount as may be fixed by the Deputy Commissioner according to the value of each tavern; and shall take out licenses and execute counterpart-engagements, on the conditions hereinafter set forth. On the failure of any person to make the deposit or to take out license or to execute the counterpart-engagement, as aforesaid, the tavern will be re-sold at the risk of such person, or will be otherwise disposed of at the discretion of the Deputy Commissioner. In the case of the purchaser's death after the confirmation of the sale, it will be binding on his heirs or assigns.

7. Re-sales effected under para 6 *supra*, will be at the risk of the defaulting bidder, who shall forfeit all gain; and in the event of a loss by re-sale or other disposal, he shall make good the deficiency between the total amount payable for the whole period under the terms of the original sale and the total amount payable by the successful bidder at the re-sale or by disposal otherwise. In the latter case, the forfeited deposit shall be deducted from the loss arising from the re-sale or other disposal, and the remainder, if any, shall be recovered from the bidder in the same manner as if it were an arrear of land revenue. Should, however, the forfeited deposit be greater than the loss by re-sale or other disposal, the whole of such deposit shall be credited to Government.

8. The license to be taken out under para 6 above, shall be subject to the following conditions, namely:—

(1) The privilege conferred by the license extends to the sale of Country Beer or Porter brewed on the Nilgiris in Breweries which may be approved of by the Government or by Messrs. (2) Each tavern shall be maintained in or close to the existing tavern as may be determined by the Deputy Commissioner.

The security deposit shall be taken towards the amount due for the last two months of the period of the lease. (13) He shall not receive any articles whatsoever in barter or pledge, and payment for Beer or Porter shall be made in ready money only at one and a-half rupee per Imperial gallon and proportionately for fractions thereof.

(14) The Beer or Porter sold under this license shall be brewed from good materials and its quality shall be such as to satisfy the Excise Commissioner, and shall be of the same quality and density as purchased from the Brewer, without dilution or adulteration. Notice No. 1944, *dated* 27*th April* 1909.

In inviting attention to this Office Notice No. 932, dated the 7th November 1907, published in the *Mysore Gazette* of the 14th November 1907, and to the conditions Nos. 13 and 14 and No. 8 of allotment of sites in the Western (Chamarajendrapet) and Northern (Sheshadripuram) Extensions respectively, quoted below for ready reference, the owners of sites in the Chamarajendrapet, Sheshadripuram, Basavangudi and Malleswaram Extensions are hereby informed *for the last time* that failure to start building operations within ONE month and complete them within SIX months from the date of publication of this notice will result in the resumption of the sites by the Municipality without regard to any claim for compensation :—

No. 932, *dated* 7*th November* 1907.

Basavangudi and Malleswaram Extensions.

Whereas many of the allottees or purchasers of sites in the Basavangudi and Malleswaram Extensions have failed to start building operations and complete them within the period prescribed in condition 2 of the notice of allotment and condition 4 of the sale notification :—

And whereas many of them have indefinitely put off house-building by reserving their sites probably for speculative purposes, defeating thereby the very object with which these Extensions were opened :

It is accordingly hereby notified for the information of the public, that unless building operations in these Extensions are commenced by the owners or others interested in such sites, within ONE month from the date of publication of this notification, and finished within SIX months, the said sites will be forfeited to the Municipality without further notice and without payment of any compensation under conditions 10 and 11 of the Scrip granted to the allottees of sites.

Western (Chamarajendrapet) Extension.

13. Within SIX months from the date of the grant of the site, the applicant shall collect the building materials on the site, and within TWELVE months, complete the building.

14. If the applicant fails to pay the price fixed by the Sub-Committee or to complete the building within the time fixed; the site shall be liable to be resumed without any claim for compensation.

Northern (Sheshadripuram) Extension.

8. Within TWO months from the date of the notice of confirmation of sale of the site, the purchaser shall collect the building materials of the site, and within ONE year, complete the building, failing which, the site shall be liable to be resumed without any compensation.

2. Read General and Revenue Secretary's letter No. 5955—Ml. 18-06-5, dated the 23rd December 1908, requesting that the question of the revision of the several establishments of the Municipality may be re-considered in the light of the remarks made therein and the result duly reported.

Resolved that the proposed increase of establishments of the Municipality was carefully considered by a Sub-Committee, that the Council are of opinion that at least the pay of the Octroi Branch be increased for the present, with the modification that the appointment of Superintendent may be postponed and the pay of the Inspector raised from Rs. 30 to Rs. 45, rising to Rs. 60 with an annual increment of Rs. 3, and that the question of increasing the pay of the remaining establishments be deferred for further consideration.

1. Chief Engineer's letter No. 1580, dated the 26th February 1909, forwarding an extract from the Draft Public Works Department budget for 1909-10 showing the works

proposed to be carried out from the special grant of one lakh in the City during that year and inviting the views of the Municipal Council thereon.

Resolved that the scheme of carrying out works from the special grant of one lakh during the year 1909-10 be referred to the City Improvement Committee which is to meet shortly to consider the same. Works will be proposed according to the nature of urgency out of the allotment of Rs. 70,000 remaining out of the one lakh provided for that year excluding Rs. 27,000 required for the Sanitary Drainage work, *viz.*, constructing the main out-fall and breaching Sunnakal Tank, for which Rs. 50,000 have already been provided for during the current year.

2. Applications dated the 29th February and 17th August 1908, respectively, from Mr. Janopakari Doddanna Setti, praying for the grant of additional land for the use of his school near the Fort, Bangalore City, and for permission to construct an additional building thereon, etc.

Resolution.—(1) That a foot-path of 10 feet in width be left to the east of the avenue on the Fort centre road to serve as a shelter for the numerous passengers visiting the market and the petta, as there is no other place of shade in this part of the city; (2) that a space of 80 feet be left from the existing gate to take the demolished wall in a curve and join it to the proposed compound wall in the east; this is necessary to improve the appearance of the wall; (3) that the Fort rampart road be taken from the Fort centre road to the Kalasipalyam-Arumugam Mudaliar galli as shown in the plan, and the vacant ground thus made available to the south of the compound wall which measures 1 acre and 30 guntas be given to Mr. Doddanna Setti for the erection of a Technical School, for play-ground and gardening, etc.; the length and width of the road will be 684 and 30 feet, respectively; (4) that 5½ to 12 feet of ground out of the Kalasipalyam road to the east of the compound wall, commencing from the southern end of the school out-house up to the proposed curve as shown in the plan, be given to Mr. Doddanna Setti to improve the appearance of the compound wall; this measures 4 guntas and 65 square yards; (5) that in consideration of the heavy sum which Mr. Doddanna Setti will have to lay out for reconstructing an ornamental wall (as per design) in place of the demolished one and for demolishing and reconstructing the remaining portion of the compound wall which he has undertaken to carry out himself, a sum of Rs. 1,000 be placed at his disposal by the Municipality, and, also, so much of the Fort stones as he may require for the reconstruction of the wall.

3. Proposed by Mr. D. Venkataramaiya and seconded by Mr. Appajaiya that an address of welcome be presented to His Highness the Yuvaraja on his safe return from Japan and that a sum of Rs. 300 be spent towards the expenses.

Resolution.—Carried unanimously.

I. Read the report of the Finance Committee of the Hassan District Board together with the budget estimates of the Hassan District Board for the year 1909-10.

Resolution.—Resolved that the report of the Finance Committee be submitted to Government along with the budget estimates for 1909-10.

Further resolved that this Board are of opinion that an allotment of Rs. 50 per mile for the Channarayapatna-Sravanabelagola road is sufficient, if regularly and economically spent on the road each year, and that no increase of mileage allotment is necessary.

Also resolved that as the pay of the Deputy Inspector of Vaccination is met from the Sanitary Department, this Board are of opinion that the pay and travelling allowance of his peon, *viz.*, Rs. 95 per mensem should also be provided for in the Sanitary Department and hence to be omitted from the District Fund Budget for 1909-10.

II. Read the General and Revenue Secretary's docket No. 6807—L. B. 177-08-6, dated 21st January 1909, observing that the amount which the District Board are required to spend on the formation of Somavarpet-Konanur road during the course of the next five years is only Rs. 8,000, and enquiring why the Board plead inability to incur the expenditure, in the present financial condition which cannot be said to be bad, as the closing balance at the end of the year would be Rs. 5,429, more than the prescribed minimum taking the actual balance on the 1st July 1908; besides the road being useful for traffic, the collections from the proposed tolls would be a source of income to the District Board.

Resolution.—Resolved that this Board are not in favor of spending such a large sum of money on a new road, the upkeep of which will also be an extra cost during the construction, for the next five years, (since no toll could be established until the road is complete) especially when there are much more pressing requirements for District Funds.

Further, this Board are of opinion that the proposed new road is unnecessary, as by connecting Somavarpet with the existing Sanivarsante-Sirangal road, at Sirangal, (a distance of about 8 miles) the Coorg District Board could secure road communication for wheel-traffic between Somavarpet and Konanur (a total distance of about 16 miles).

III. Read the General and Revenue Secretary's docket No. 8094—Sany. 250-07-21, dated 17th February 1909, stating that the grant of Rs. 50,000 will be utilized for meeting charges in connection with plague establishments, etc., and that out of the said grant, it is

proposed to allot about Rs. 1,770 to the Hassan District and requesting the submission of the views of the Board with copies of resolutions in support thereof on the several proposals referred to in Government docket No. 1201-10—Sany. 250-07-7, dated 1st August 1908.

Resolution.—Resolved that the resolution of this Board already recorded on point (1) concerning Special Police establishments is confirmed.

As regards point (3) no resolution of this Board appears necessary as it concerns municipalities only.

Concerning points (2) and (4) this Board are of opinion that the allotment of Rs. 1,770 to the Hassan District Board, out of Rs. 50,000 granted by Government, for the Plague Department, is quite insufficient for the purposes mentioned in the General and Revenue Secretary's docket No. 8094—Sany. 250-07-21, dated 17th February 1909, since this Board cannot afford to provide more than Rs. 240 for plague and cholera charges.

IV. Read Government Proceedings No. G. 2918-35—G. M. 56-08-11, dated 13th November 1908, revising the establishments attached to the 1st and 2nd class travellers' bungalows in the State and taking this opportunity of commending to the attention of the District Boards, the feasibility of reducing the establishments of the 3rd class travellers' bungalows, whenever possible.

Resolution—Recorded and resolved that after due consideration, this Board are of opinion that no reduction of the existing small establishment of 3rd class travellers' bungalows can be effected, without causing inconvenience to the travelling public.

V. (*a*) Read again Government Proceedings No. R. 2086-96—L. R. 585-07-11, dated 24th September 1908, laying down rules, *re* the administration of the Irrigation Cess Fund and the preparation of the budget estimates pertaining thereto.

(*b*) Also read Government Proceedings No. R. 3842-50—L. R. 161-08-4, dated 16th December 1908, indicating the data, on which the preliminary estimate of receipts and expenditure under Irrigation Cess for each district should be prepared and submitted.

(*c*) Read also the budget estimates prepared for the year 1909-10, showing the works to be executed under the Irrigation Cess Fund.

Resolution.—Resolved that the list of works prepared and now passed, be sent up to the Revenue Commissioner, as required by Government Proceedings No. R. 2086-96—L. R. 585-07-11, dated 24th September 1908.

VI. Read Government Proceedings No. 6645-52—L. B. 170-07-13, dated 16th January 1909, fixing the rate of fees to be levied on Amrut Mahal bulls used for breeding purposes.

Resolution.—Recorded and resolved that the same be communicated to the Hassan Taluk Amildar and the private gentleman concerned.

VII. Read Government Proceedings No. 7397-405—L. B. 432-06, dated 6th February 1909, approving of the list of rates provided in the schedule of rates and ordering their adoption as standing schedules, and that they should be revised once a year at the first meeting of the District Board.

As regards the execution of works, competition as is being pursued in the Public Works Department may be adopted, so as to beat down the rates as low as possible.

Resolution.—Recorded and resolved that the standing schedule of rates be communicated to all officers concerned.

VIII. Read the General and Revenue Secretary's docket No. 7599—L. B. 262-08, dated the 9th February 1909, forwarding Subject No. 313 of the Dasara Representative Assembly of 1908, *re* the extension of the Arehalli-Cheeknahalli road to Chikmagalur for consideration of the Board in consultation with the District Board of Kadur.

Resolution.—Resolved that the opinion of the Executive Engineer be obtained, after his investigation for consideration, with the previous correspondence on the subject, at the next meeting of this Board on the 3rd May next.

IX. Read correspondence ending with the Arsikere Taluk Amildar's report No. 306—2579, dated 9th January 1909, furnishing particulars of houses, population, etc., of Dhakala villages to the Asli village of Kenkere (as required in Resolution I of the District Board Proceedings dated 14th December 1908).

Resolution.—Resolved that the Amildar's report be forwarded to the General Assistant Commissioner for his opinion after inspection while conducting jamabandi in that vicinity.

X. Read correspondence ending with the General Assistant Commissioner's yadi No. 1214—3043, dated 11th February 1909, submitting for sanction a revised estimate amounting to Rs. 464 (original estimate Rs. 250) for deepening the well at Somasettihalli in the Arsikere Taluk by three fathoms more, so as to have a good supply of water in the hot season.

Resolution.—Resolved that the revised estimate for Rs. 464 be sanctioned, the excess of Rs. 214 being met out of the provision of Rs. 1,000 under incomplete and other works in the District Fund budget for 1908-09.

XI. Read correspondence ending with the Channarayapatna Taluk Amildar's report No. 670—1231, dated 6th December 1908, submitting a revised estimate amounting to Rs. 499 (original estimate Rs. 200) for deepening and staining a well at Masavana gutta.

Resolution.—Resolved that the revised estimate be sanctioned for Rs. 464 as modified after check in this office, the extra cost of Rs. 264 being met out of Rs. 1,000 under I. Original Works—Incomplete and other works.

XII. Read correspondence ending with the General Assistant Commissioner's yadi No. 1033—2705, dated 18th January 1909, submitting a copy of the resolution of the Herisave Union Panchayet recommending that a Vaidyasala may be established at Herisave since there are no Local Fund Dispensaries at an easy distance from Herisave.

Resolution.—Resolved that the Herisave Union Panchayet be informed that they have first to consider the provision of a building for the Vaidyasala at the place and that as a Vaidyasala has been sanctioned for a Sravanbelagola (10 miles from Herisave) that institution may be availed of for the present, as it is not possible to sanction another Vaidyasala in the same taluk so soon, since it is a matter of funds.

XIII. Read correspondence ending with the Alur Deputy Amildar's report No. 524—2241, dated 30th January 1909, reporting that though Siddapur is in a corner, still it is centrally situated as regards those villages which are surrounded by the rivers, and if a sante be established at Kundur, it will not be convenient for the inhabitants of those villages.

Resolution.—Resolved that the correspondence be sent to the Huzur Jamabandi Officer for report of his opinion after inspection and local enquiry.

XIV. Read correspondence ending with the Arkalgud Taluk Amildar's report No. 677—2777, dated 27th January 1909, submitting a copy of the resolution of the Arkalgud Taluk Board, recommending sanction to the revised estimate amounting to Rs. 792 (original estimate including the contribution amount of Rs. 100 paid by the raiyats being Rs. 451) for sinking a well at Muttagadahosur in the Arkalgud Taluk and stating that very hard rock is met with and consequently the estimate cannot be lowered and that the work is very necessary.

Resolution.—Resolved that a sum of Rs. 50 be sanctioned for sinking a trial pit, since Rajanasiriyur is an affected village and it will provide some wages for those in need of the same, the cost being met from the savings of Rs. 50 available out of the provision of Rs. 250 for sinking a well at Bandarikatte in the Belur Taluk for which Rs. 200 is sufficient.

XVI. Read correspondence ending with the Channarayapatna Taluk Amildar's report No. 842, dated 10th January 1909, submitting for sanction an estimate amounting to Rs. 800 for deepening a well at Kabbal, stating that the raiyats have paid contribution amounting to Rs. 800, the same having been held in District Fund Deposit accounts. The Amildar adds that owing to urgency the sinking of the well was started and worked out to the extent of Rs. 422 and solicits payment of this amount to the contractor for the work executed.

Resolution.—Resolved that owing to the mistake of the Amildar the bill cannot be now paid, but the estimate for Rs. 800 now received from the Amildar may be sent up to Government for favor of early sanction, to be met out of Rs. 800 deposited in the Taluk Treasury by the Kabbal villagers.

XVII. Read memo No. 305, dated 5th February 1909, received from the Assistant Commissioner, Saklespur, submitting an estimate amounting to Rs 100 for improving the cart-track from Rajanasiriyur to Halebid (a non-budgetted work) which work was started as permitted by the President to afford daily wages for needy workmen in the affected part of Halebid Hobli, Belur Taluk, the charge being met by appropriating Rs. 100 provided for repairing roads and drains in the Halebid Union, such work being deferred this year.

Resolution—Resolved that the action of the President under the urgent circumstances is approved and that sanction of Government be obtained to the execution of this non-budgetted work at a cost of Rs. 100 from the source pointed out.

XVIII. Read the list of non-budgetted works, *viz.*, removing prickly pear at Kanakatte and at Kittanakere, each amounting to Rs. 100, sanctioned by the President for affording daily wages to needy workmen at those places, in this time of distress, the cost being met by appropriating the sum of Rs. 200 provided for repairing roads in the Unions of Banavar, Gandasi, Kenkere and Javagal (*viz.*, Rs. 50 each) which may be deferred this year.

Resolution.—Resolved that the action of the President under the urgent circumstances is approved and that Government sanction be obtained to the execution of the two non-budgetted works at a cost of Rs. 100 each.

XIX. Read correspondence ending with the Hassan Taluk Amildar's report No. 623—3006, dated 16th February 1909, submitting for sanction owing to urgent necessity for water at Grama, an estimate amounting to Rs. 70 for removing silt out of the Soppinatotada Kalyani and another for Rs. 9 for deepening the temporary well at Grama, both being non-budgetted works, the cost being met by appropriating the sum of Rs. 100 provided for repairing roads and drains in the said Union, which may be deferred this year.
